and 1918 Students often arrived at Carlisle already engrained with Indigenous ideals of masculinity On many occasions these ideals would come into conflict with the models of manhood created by the school s original superintendent Richard Henry Pratt Pratt believed that Native Americans required the embrace of civilization and he emphasized the qualities of self control Christian ethics and retaliatory masculinity He encouraged sportsmanship and fair play over victory Pratt s successors however adopted a different approach and victory was enshrined as the main objective of Carlisle sports As major stars like Jim Thorpe and Lewis Tewanima came to the fore this change in approach created a conflict over manhood within the school should the competitive athletic model be promoted or should Carlisle focus on the more self controlled Christian ideal as promoted by the school s Young Men s Christian Association The answer came from the 1914 congressional investigation of Carlisle After this grueling investigation Carlisle s model of manhood starkly reverted to the form of the Pratt years and by the time the school closed in 1918 the school s standards of masculinity had come full circle

explores women's experiences and the impact of their activities on the history and landscape of St. Louis. When the city was founded, most St. Louisans believed that a woman's place is in the home in the house of her father, husband, or master. Over the years, women pushed out the boundaries of their lives into the public arena, and in doing so, they changed the face of St. Louis. *In Her Place* is a guide to the changing definition of a woman's place in St. Louis, beginning with the colonial period and ending with the 1960s. Each chapter explores the experiences of women during a specific time period and identifies the sites of some of their public activities on a map of the city created from historical sources. Along the way, readers will meet such significant St. Louis women as Harriet Scott, Susan Blow, Edna Gellhorn, and Philippine Duchesne and learn about the activities of the Ladies Union Aid Society, the Sisters of Charity, the League of Women Voters, and the Harper Married Ladies Club. The book also includes four tours of the St. Louis region, addressing the themes of the book and identifying significant buildings, homes, and other key sites. Current photographs will help readers locate the sites on detailed maps. An up-to-date bibliography and resource listing make this an invaluable guide for anyone interested in studying the history of women in the region.
