Interviewer: We spoke to some girls to find out their opinions about sport.

Speaker 1: I play tennis quite often, and it's a great form of exercise. It keeps me healthy. It's important to stay in shape and a good game of tennis really makes your body work. Everyone needs to find a way to get some exercise and for me, it's tennis.

Speaker 2: I'm not really very interested in most sport, but there is one I like – motor racing. Some people think it's boring to just watch cars going round and round, but I love it. It's really exciting, and it takes a lot of skill. I'd like to try it, but I think I'd be a bit frightened because they go very fast.

Speaker 3: We've tried a few different sports at school, and I really like playing volleyball. It's a great feeling when you know you've played better than the other team. You have to be quite fit to do it well. I'd like to play again, but none of my friends are interested. I think I need to find a team in my local area.

Speaker 4: I love going to football and basketball matches. I try to go every weekend, with my friends. What I like about those sports is that the players have to work together to be successful. You can be a fantastic player, but without the others, you're nothing.

Speaker 5: I like sport, but I don't really take it seriously. Winning and losing aren't very important to me, but spending time with my friends is. We get together every Saturday and play a different sport – football or baseball, usually. It's a lot of fun.

Tourist: Excuse me. I wonder if you could help me.

Guide: Of course. What would you like to know?

Tourist: Well, it's my first visit to the area and I was wondering what the main attractions are. I'm leaving for the airport at lunchtime tomorrow, so what would you recommend I see in the time I've got?

Guide: Well, one of the most popular attractions is Mansford Hall, a large old house about 10 miles outside town. It's a kind of museum and they've tried to show what life was really like three hundred years ago.

Tourist: Well, that sounds interesting. How long would it take?

Guide: It would probably take you about half an hour to get there by bus, maybe twenty minutes by taxi, and then a tour of the house would take about two or three hours.

Tourist: Hm. I'm meeting a friend for dinner at a restaurant round the corner, so I was hoping to do
