

# Beverly Cleary

Beverly Cleary was born in McMinnville, Oregon in 1961. She lived on a farm in a town that wasn't big enough to have a library. Beverly's mother wrote to the State Library asking them to send books to their small town. When they did, her mother became the town librarian, tending to the books in a room over the town bank. Beverly grew up loving books, and as she became a famous children's author, it will probably surprise you to know that Beverly struggled to learn how to read!

She decided while in elementary school that she wanted to become a writer when she grew up. One reason was because she was never able to find books to read about neighborhoods like hers and children like those she knew. In later interviews, Beverly always said that she got her ideas from her "own experience and the world around her." Today, kids can read about beloved characters like Ramona and Beezus Quimby, Henry Huggins, and Ellen Tebbits. Beverly Cleary is one of the most successful American children's authors, with 91 million (and counting!) books sold all around the world, and she was named a Living Legend by the Library of Congress. Beverly Cleary died on March 25th, 1991.
