Claim Nicole Edwards, 2023-08-28 Volume 7 With each passing day I am learning new things about myself I have the men in my life to thank for that They are giving me the freedom to explore things I've only ever fantasized about In doing so we are all accepting the complexity of our situation making compromises and taking risks When you fall in love with more than one man you can be certain that the highs and lows of a normal relationship are multiplied and they can be overwhelming at times Now that there are no more secrets between us there is nothing standing in our way We are free to move forward Except there are other forces at play Someone who knows the right card to play to ensure our happily ever after eludes us Possibly forever Volume 8 When you're determined enough you can accomplish almost anything That's my mantra as I deal with the upheaval my absence has caused Although they're slow to accept my apology the men in my life are coming around It helps that I want nothing more than to prove to them that I'm no longer a flight risk I'll do whatever it takes to ensure they know how much they mean to me Unfortunately I'm not the only person fueled by fierce determination The man out to hurt me to punish those I care about has proven he's willing to do whatever is necessary to rip apart my life bit by bit He's a worthy adversary I'll give him that But no one could've predicted his final move the one that could destroy everything we've worked so hard to build Volume 9 When you give your heart to someone there's always the chance it can be broken When you give your heart to more than one person the chances are significantly greater My entire world has erupted in chaos and the lives of two men I love are in danger On the outside I'm holding my head up but on the inside I'm curling into a fetal position wishing someone would hold me so I don't fall apart It's coming I can feel it My heart can't handle the pain of not knowing whether Hawk or Creed will live through the night it can't process the fear that Garrison and Nick will meet the same fate I'm stuck in this horrible void of nothingness as I wait for someone to give me a lifeline to hold onto I'm starting to think it will never arrive and I'll be left to drift off into oblivion Volume 9 is the last book in the Primal Instincts

series Although they endure some dark times love wins and this unconventional love story ends happily ever after As a bonus there s a glimpse of the future for Journey Creed Hawk Garrison and Nick

Contemporary Minority Nationalism Michael Watson,2013-09-13 Minority nationalism is a significant not to say potent force in the modern world In many countries new problems of and for minority nationalism have recently surfaced This book presents a wide ranging examination of the state of minority nationalism in the 1970s and 1980s It considers many different cases in detail Britain Ireland the Soviet Union Canada France Spain and South Africa It explores the political and socio economic circumstances surrounding minority nationalism analyses its successes and failures in recent years and looks at an exhaustive range of issues the structures and politics of minority nationalist movements relations with governments ideology attitudes to human rights and so on Interestingly it views both Afrikaners in South Africa and Protestants in Northern Ireland as cases of minority nationalists in dominant positions finding it increasingly difficult to maintain their positions

Duty and Destiny Gary Scott Smith,2021-01-19 A nuanced portrait of a great historical figure considered everything from a God haunted man to a stalwart nonbeliever What did faith mean to Winston Churchill Churchill was far from transparent about his religious beliefs and never regularly attended church services as an adult even considering himself not a pillar of the church but a buttress in the sense that he supported it from the outside But Gary Scott Smith assembles pieces of Churchill s life and words to convey the profound sense of duty and destiny partly inspired by his religious convictions that undergirded his outlook Reflecting on becoming prime minister in 1940 he wrote It felt as if I were walking with destiny and that all my past life had been but a preparation for this hour and for this trial In a similarly grand fashion he described opposing the Nazis and later the Soviets as a struggle between light and darkness driven by the duty to preserve humane enlightened Christian society Though Churchill harbored intellectual doubts about Christianity throughout his life he nevertheless valued it greatly and drew on its resources especially in the crucible of war In Duty and Destiny Smith unpacks Churchill s paradoxical religious views and carefully analyzes the complexities of his legacy This thorough examination of Churchill s religious life provides a new narrative structure to make sense of one of the most important figures of the twentieth century
