Orca Soundings are teen novels for reluctant readers. Orca Currents are middle school novels for reluctant readers. Written at a grade 2.0 to grade 4.5 reading level, these compelling contemporary novels have proven incredibly popular with teachers and librarians looking for material that will engage their most reluctant of readers. Orca has always provided professionally written teachers' guides to accompany these books. Now we offer a complete resource guide to enable classroom integration of these popular titles. Including sections on reading levels, book discussion groups, literacy circles, assessment, and follow-up activities, this resource guide enables a teacher to implement the Orca Soundings and Orca Currents series as part of a comprehensive independent reading and literacy unit.

Style Guide for Business Writing Michael C. Thomsett, 2018-04-09. Style guides come in many shapes and sizes, usually focused toward scientific or academic use only. However, business writing is a space occupied by many individuals that has not been given the attention it deserves. The *Style Guide for Business Writing*, Second Edition, is designed specifically to assist business writers in both the public and private sector, including those publishing with English as a second language, authors of academic papers, business book authors, financial journalists, and writers of reports, proposals, or even just e-mail and memoranda. This book provides a comprehensive guide to clear and precise writing that will help develop basic communication skills for the beginner and refresh the basics for the experienced business writer. Major topics are arranged alphabetically, and the cross-references and index enable quick and easy access to information. Michael C. Thomsett is a market expert, author, speaker, and coach. His many books include *Stock Market Math*, *Candlestick Charting*, *The Mathematics of Options*, and *A Technical Approach to Trend Analysis*. — *Absolute Beginner's Guide to WordPerfect 12* Laura Acklen, 2005.
