WORKER PROTECTION STANDARD (WPS) INCLUDING ALL REVISIONS THROUGH 2004

The Quick Reference Guide contains what is necessary for you to comply with the Worker Protection Standard. The WPS is a federal regulation designed to protect agricultural workers (people involved in the production of agricultural plants and pesticide handling people mixing, loading, or applying pesticides or doing other tasks involving direct contact with pesticides). This guide presents the minimum WPS requirements. It does not include exceptions that may permit you to do less or options that may involve different requirements. The revised (2005) form in English Web the Worker Protection Standard the Agricultural Protection has more information about your responsibilities, exceptions and options. There are more exceptions for users of agricultural establishments and members of their immediate family.
