Single Season Sitcoms of the 1980s Bob Leszczak, 2016-05-16 As the cable TV industry exploded in the 1980s offering viewers dozens of channels an unprecedented number of series were produced For every successful sitcom *The Golden Girls* *Family Ties* *Newhart* there were flops such as *Take Five* with George Segal *Annie McGuire* with Mary Tyler Moore *One Big Family* with Danny Thomas and *Life with Lucy* starring Lucille Ball proving that a big name does not a hit show make Other short lived series were springboards for future stars like *Day by Day* *Julia* *Louis Dreyfus* *The Duck Factory* *Jim Carrey* *Raising Miranda* *Bryan Cranston* and *Square Pegs* *Sarah Jessica Parker* This book unearths many single season sitcoms of the 80s providing behind the scenes stories from cast members guest stars writers producers and directors

Democracy's Slaves Paulin Ismard, 2017-01-09 Challenging the modern belief that democracy and bondage are incompatible Paulin Ismard directs our attention to ancient Athens where the functioning of civic government depended on skilled knowledgeable experts who were literally public servants slaves owned by the city state rather than by private citizens

Zachary Quinto Monique Vescia, 2014-12-15 Zachary Quinto is one of the great

success stories of today and once readers learn that he didn't let his sexual orientation hold him back they will be inspired to reach for the stars as well. Most people don't know that Quinto hid his sexuality for many years. Only when he came out did his fans truly embrace him. This book details the arc of Quinto's life to date including his early years in Hollywood playing small roles and his later stardom eventually taking over Leonard Nimoy's role as Spock in the Star Trek remake.

Reading 'Desperate Housewives' Janet McCabe, Kim Akass, 2006-07-28 Everyone has a little dirty laundry. The darkly comic series about the secret lives of the ladies living on Wisteria Lane became an instant breakthrough hit for ABC. 21 million viewers tuned in for the first episode and this figure has steadily grown as audiences from around the globe have switched on to the shenanigans in suburbia. Desperate Housewives was subject to a backlash in America where advertisers on the ABC network were lobbied by Christian groups and Parents Associations. But the sponsorship withdrawal that resulted did little to dampen the enthusiasm of its legions of fans. Recipient of several awards including the People's Choice Award and Golden Globe for Best Television Musical or Comedy, Desperate Housewives is a hit. Reading Desperate Housewives offers a critical response to one of the most talked about shows on contemporary television. Leading scholars and writers dissect the appeal of Desperate Housewives tapping into early reactions and controversy. They consider the American sex wars, contemporary feminism, Republican politics and the rise of the Right, gender and femininity, motherhood and marriage and that Vanity Fair shoot. The book includes an episode guide tracing all those goings on beyond that white picket fence.

Traumatic Brain Injury Jack W. Tsao, 2012-06-13 Traumatic brain injury (TBI) is a major cause of disability worldwide. Each year 1.7 million new TBIs occur in the United States and it is also considered a signature injury of the Iraq and Afghanistan conflicts. Despite the relatively high incidence within both civilian and military populations, the diagnosis and treatment, particularly of mild TBI (concussion), remains an inexact science. Traumatic Brain Injury: A Clinician's Guide to Diagnosis, Management and Rehabilitation is a concise guide designed for neurologists, primary care and sports physicians and other medical providers, psychologists and neuropsychologists and athletic trainers who may evaluate and care for patients with TBI. The book features summaries of the most pertinent areas of diagnosis and therapy which can be readily accessed by the busy clinician/professional. In addition, the book's treatment algorithms provide a highly practical reference to cutting edge therapies. A superb contribution to the literature, Traumatic Brain Injury: A Clinician's Guide to Diagnosis, Management and Rehabilitation offers a well designed, well written, useful resource for all providers who treat patients with TBI.

TV in the USA Vincent LoBrutto, 2018-01-04 This three volume set is a valuable resource for researching the history of American television. An encyclopedic range of information documents how television forever changed the face of media and continues to be a powerful influence on society. What are the reasons behind enduring popularity of television genres such as police crime dramas, soap operas, sitcoms and reality TV? What impact

has television had on the culture and morality of American life Does television largely emulate and reflect real life and society or vice versa How does television s influence differ from that of other media such as newspapers and magazines radio movies and the Internet These are just a few of the questions explored in the three volume encyclopedia TV in the USA A History of Icons Idols and Ideas This expansive set covers television from 1950 to the present day addressing shows of all genres well known programs and short lived series alike broadcast on the traditional and cable networks All three volumes lead off with a keynote essay regarding the technical and historical features of the decade s covered Each entry on a specific show investigates the narrative themes and history of the program provides comprehensive information about when the show started and ended and why and identifies the star players directors producers and other key members of the crew of each television production The set also features essays that explore how a particular program or type of show has influenced or reflected American society and it includes numerous sidebars packed with interesting data related information and additional insights into the subject matter

Leadership through the Lens Creshema R. Murray, 2017-12-19 Television informs our perceptions and expectations of leaders and offers a guide to understanding how we as organizational actors should communicate act and relate Because of its pervasiveness as a medium and the impact it can have in influencing expectations of leadership and related behavior within organizational life television can be understood an important pedagogical tool Leadership through the Lens Interrogating Production Presentation and Power is an edited collection of 11 chapters that address representations of leadership in scripted and unscripted workplace settings showcasing the innovative ways in which diverse leadership styles are illustrated in a variety of contexts on television With a unique approach at the intersection of leadership and mass media studies this book shows how the two disciplines coexist to inform how leadership culture is produced and transformed via presentation and representations on television

2020 Year of Plenty Dr Afiniki Akanet, 2021-01-07 In her usual conversational style Dr Akanet through her perspective as a GP family doctor and mother to two young children shares her ups and downs of 2020 while trying to move house Moving home particularly when it involves buying or selling a house has been noted to be one of the three most stressful life events and doing so during a pandemic would make it even more challenging 2020 brought with it challenges and changes most of us never expected taking some of us to almost breaking point This book will take you through one family s journey to discover how they survived such a tough year and reflect on whether there could really be blessings to count for 2020 Based on true events with stories about parenting faith marriage patients estate agents and immigrant perspectives this book will bring you smiles tears inspiration and hope for the days ahead Book Reviews A record of the real life experiences of one medical family as the novel Coronavirus emanating from Wuhan in China slowly embraced the whole world It is often amusing and sometimes poignant in its detail of her days in the new normal and very surreal world into which we were all suddenly plunged Paul Sheffield I expected a book about 2020 to be all doom and gloom but was surprised to find myself laughing out loud at times Dr Anna

Nguyen GP Afiniki is not only a talented mother and professional but an eternal feel good optimist If anyone is going to see the good in 2020 it is going to be Afiniki Trish Adudu BBC presenter This book is a very interesting read and one which I am sure will be of great interest to school students in a couple of generations time Margaret Greenway There s no doubt that 2020 will live in all of our memories as a year like no other But what have we learned through it And what can we take away moving forward Have a read of one reflection of not only what was lost this year but also what was gained Diane Rickard

Watching M*A*S*H, Watching America James H. Wittebols,2003-06-19 It has been said that M A S H was a show set in the 1950s which reflected the shifting values of the 1970s and early 1980s Hawkeye Pierce Radar O Reilly Trapper John McIntyre Sherman Potter Margaret Hot Lips Houlihan B J Hunnicutt Frank Burns Charles Emerson Winchester Max Klinger these and the many other characters who populated the MASH 4077 used the Korean War as a backdrop to comment on many of the social issues of their day Using a unique blend of comedy and drama the show s first three seasons 1972 1975 focused on the anti Vietnam War sentiment that consumed much of America As Vietnam ended M A S H moved on to concentrate on other contemporary issues the women s movement the rise of the religious right in American politics the new narcissism that marked the early 1980s the heightened awareness of underage or excessive alcohol use and the increased emphasis on family in American life How the series presented these issues and its success in doing so are the subjects of this critical study An episode listing brief plot outline casts and credits air dates and titles is also provided The Art of Living Dangerously Richard Bangs,2023-11-07 In 1973 Richard Bangs founded Sobek Expeditions the original and now the largest adventure travel company in the world with over a million clients guided since its beginning But this is not just a story of an unusual company one that profoundly transformed the way we travel and experience the world It presents true stories both perilous and awe inspiring from the full array of adventure travel trekking climbing sailing diving adventure cruising kayaking back country skiing mountaineering biking cultural immersions canyoneering and more Sobek pioneered scores of adventures from trekking in the Himalayas to cruising the Galapagos and Antarctica to first descents of some eighty rivers around the world The author personally led thirty five first river descents capsizing on six continents a unique albeit dubious distinction and organized and led the first trips into North Korea Libya Yemen Djibouti Saudi Arabia Pakistan New Guinea Iran and even China back in 1978 Sobek clients have included Bill Gates Jeff Bezos Mick Jagger Barry Diller and Daryl Hannah It is the shadow company behind National Geographic Adventures New York Times Active Journeys and Smithsonian Expeditions This book traces fifty years of adventure travel and how it has evolved through times of war and peace terrorism the rise of the internet the pandemic and the first virtual expeditions The Lord of the Rings and Philosophy Gregory Bassham,Eric Bronson,2003 The Lord of the Rings is intended to be applicable to the real world of relationships religion pleasure pain and politics Tolkien himself said that his grand tale of wizards orcs hobbits and elves was aimed at truth and good morals in the actual world Analysis of the popular appeal of The Lord of the Rings on websites and elsewhere shows

that Tolkien fans are hungry for discussion of the urgent moral and cosmological issues arising out of this fantastic epic story Can political power be wielded for good or must it always corrupt Does technology destroy the truly human Is it morally wrong to give up hope Can we find meaning in chance events In *The Lord of the Rings and Philosophy* seventeen young philosophy professors all of them ardent Tolkien fans and most of them contributors to the four earlier volumes in the *Popular Culture and Philosophy* series address some of these important issues and show how clues to their solutions may be found in the imaginary world of Middle earth The book is divided into five sections concerned with Power and the Ring the Quest for Happiness Good and Evil in Middle earth Time and Mortality and the Relevance
