Rough as Sin (Book 1) April Lust, This is book 1 of the Black Knights MC trilogy Books 2 and 3 are available

everywhere now There s nothing like an outlaw to make a good girl go bad Kristel wanted to ride on the wild side But then I got her pregnant Now the baby in her belly might start a war between cops and bikers And she ll have to choose where her true loyalties lie KRISTEL This is spinning out of control I needed to taste some freedom I thought hanging around the Black Knights MC would be fun But I never expected to fall hard for their leader Andre is nothing like the boys I m used to He s ripped and tattooed from head to toe And his voice alone is enough to send the best kind of shivers racing down my spine I want his touch I crave his kiss But I might get more than I bargained for Because Andre doesn t do things halfway He won t stop with just one moment just one night with me He wants me over and over and over again And his kind of sin is as rough as it gets ANDRE I allowed her in so she could be a pretty distraction Normally civilian girls in the clubhouse is a bad idea They don t know how to keep their mouth shut and their legs open But I make an exception for Kristel She s got something I like An innocence I want to destroy But giving in to my temptation might turn out to be the disaster that blows everything to pieces Because our sins come with consequences Like for example an unexpected baby And now her past is coming back to bite us The entire city police force is out for biker blood They want to hurt me for what I did to their chief s precious little girl Well f k it Let them come Kristel belongs to me now And I ll do whatever it takes to protect what s mine Biker at War

April Lust, This is book 2 of the Damned Angels MC series Book 3 is available everywhere now She crossed the wrong man It s my job to neutralize any threats to the club And Erin is determined to slaughter all of us and the man we re guarding I can either throw her to the wolves and let her suffer Or throw her in my bed and make her moan TORCH The fiery stripper thought killing me would solve her problems But I m not so easy to put in the dirt Far tougher SOBs than her have tried and failed to put a bullet in my head I ve got the scars to prove I won each of those fights But this is different This is no ordinary bar brawl not just a bloody scuffle between rival outlaw bikers This is a win or die trying vengeance mission one girl against the world I have to admit that I admire her ambition She thinks she s gonna take down a whole motorcycle club and the rich d bag we re protecting singlehandedly No weapons No backup Just her But she failed to get farther than me and now her fate is in my hands The problem is Erin s lone wolf rebellion is making me ask tough questions of myself and my brothers Questions like are we doing the wrong thing Is this villain worth protecting Or have we sold our souls to the devil If what Erin says is true then the answers are worse than I ever could have feared I m no knight in shining armor But even though I ve always put loyalty to the MC over everything else I m sure as hell not gonna be the right hand man of some monstrous prick who hurts women and children I have a choice to make Do I put a bullet in Erin s skull Do I sell her body at auction to the highest bidder Or do I throw away my brotherhood my past and my future to help her do what s right
