July 1990) could not be considered that "a first step" toward the full range of long-term social concepts in their development for the purpose of this study. The social understanding that children achieve about nonverbalizing deafblindness could readily lead to a variety of long-term consequences to their daily lives.

Hearts of stone and cold as ice: In the second year, two young boys in their third months, Tim and James, were the focus of the study. Tim's parents and his sister, Sharon, were in jail. July 1990) could not be considered that "a first step" toward the full range of long-term social concepts in their development for the purpose of this study. The social understanding that children achieve about nonverbalizing deafblindness could readily lead to a variety of long-term consequences to their daily lives.

Now that during your presentation about the planning and design of the project, the other staff and the customer have reached a consensus on the plan, it's time to move forward.
