4th Grade

Back to School Activities:

For back-to-school to be so important for students to get to know each other and to feel as part of the class. The first week of school, I always focus on team building and SEL activities. I also use 'Workshop' books in my classroom. I have linked my 'Getting Started with Math' Workshop. In case you are looking to use it as well.

Standards-Based Accountability Under No Child Left Behind Laura S. Hamilton, Brian M. Stecher, Julie A. Marsh, Jennifer Sloan McCombs, Abby Robyn, 2007-05-24 Since 2001 2002 standards based accountability provisions of the No Child Left Behind Act of 2001 have shaped the work of public school teachers and administrators in the United States This book sheds light on how accountability policies have been translated into actions at the district school and classroom levels in three states *Resources in Education*, 1998 **Adult and Continuing Education: Concepts, Methodologies, Tools, and Applications**

Management Association, Information Resources, 2014-03-31 Beyond the undergraduate and graduate levels education has traditionally ceased when students enter the workforce as professionals in their respective fields However recent trends in education have found that adult students beyond the traditional university age often benefit greatly from returning to further their education Adult and Continuing Education Concepts Methodologies Tools and Applications investigates some of the most promising trends in furthering education and professional development in a variety of settings and industries With an extensive array of chapters on topics ranging from non traditional students to online and distance education for adult learners this multi volume reference book will provide students educators and industry professionals with the tools necessary to make the most of their return to the classroom *The Active/Ethical Professional* Michael G.

Gunzenhauser, 2012-03-08 A winner of the 2012 Critics Choice Book Award of the American Educational Studies Association AESA The Active Ethical Professional proposes an ethical framework for educators and school leaders who find their practice constrained by the demands of policies and structures created in response to accountability legislation The framework is derived from Michel Foucault's theories of discipline surveillance resistance and care of the self Gunzenhauser asserts that an educator's dual position of being normalized especially in relations with those above them in the education hierarchy and normalizing especially in relations with their students can be troubling and difficult The book argues that this position

requires educators to be both ethical and active To be ethical educators not only need to resolve ethical dilemmas in defensible ways but they also need to recognize themselves as powerful in relation to others To be active educators need to be vigilant for moments when they are placed in the position to be reactive to normalizing pressures and they also need to develop clear notions of how they may create opportunities for the cultivation of educational selves selves that are rich ethically aesthetically epistemologically and politically *Student Achievement Goal Setting* Leslie Grant,James Stronge,2013-10-11 The first book in the James H Stronge Research to Practice series focuses on improving student achievement through academic goal setting It offers the tools and plan of action to use performance data to improve instructional practice and increase student achievement *Schoolwide Action Research for Professional Learning Communities* Karl H. Clauset,Dale W. Lick,Carlene U. Murphy,2008-05-15 Discover how Whole Faculty Study Groups WFSGs use collaborative action research to involve an entire professional learning community in improving staff and school performance *Atlanta Magazine* ,2006-01 Atlanta magazine s editorial mission is to engage our community through provocative writing authoritative reporting and superlative design that illuminate the people the issues the trends and the events that define our city The magazine informs challenges and entertains our readers each month while helping them make intelligent choices not only about what they do and where they go but what they think about matters of importance to the community and the region Atlanta magazine s editorial mission is to engage our community through provocative writing authoritative reporting and superlative design that illuminate the people the issues the trends and the events that define our city The magazine informs challenges and entertains our readers each month while helping them make intelligent choices not only about what they do and where they go but what they think about matters of importance to the community and the region

From Being Woke to Doing #theWork ,2023-02-13 Becoming a culturally relevant teacher is a journey not a destination It is a choice that an educator must make daily to ensure that all students have equitable opportunities to learn This edited book is designed to support educators in building their responsive educator muscles with the aid of reliable research based content related to mindset knowledge and skills The book includes 1 explicit guidance on unpacking self 2 guidance on how to explore the community and lived experiences of students and 3 exemplar practitioner curriculum strategies in Humanities and STEM classrooms Educators will pick up this book from different entry points based on their personal journey There is space for all educators to shift
