Gerald R McDermott :

Israel Matters Gerald R. McDermott, 2017-05-30 Widely respected theologian Gerald McDermott has spent two decades investigating the meaning of Israel and Judaism. What he has learned has required him to rethink many of his previous assumptions. *Israel Matters* addresses the perennially important issue of the relationship between Christianity and the people and land of Israel, offering a unique and compelling third way between typical approaches and correcting common misunderstandings along the way. This book challenges the widespread Christian assumption that since Jesus came to earth, Jews are no longer special to God as a people and the land of Israel is no longer theologically significant. It traces the author's journey from thinking those things to discovering that the New Testament authors believed the opposite of both. It also shows that contrary to what many Christians believe, the church is not the new Israel, and both the people and the land of Israel are important to God and the future of redemption. McDermott offers an accessible but robust defense of a New Christian Zionism for pastors and laypeople interested in Israel and Christian Jewish relations. His approach will also spark a conversation among theologians and biblical scholars. *A New History of Redemption* Gerald R. McDermott, 2024-03-19

Southwestern Journal of Theology 2024 Book Award Honorable Mention Church History Historical Theology Biography Although Jesus's work of redemption is often viewed as a singular event, a careful examination of Scripture reveals that the Messiah began his redemptive work just after the fall and will continue it to the end of the world. In the spirit of Jonathan Edwards's *History of the Work of Redemption*, distinguished theologian Gerald McDermott traces the progress of redemption throughout the Bible and Church history. This book connects the dots surrounding Israel, redemption by the Jewish Messiah, secular and sacred history, the world's religions, and Jewish-Christian worship through liturgy and sacraments. It shows how Jesus as Messiah was redeeming throughout Old Testament history and carries that story up through the last two millennia. McDermott contends that it is only through a historical examination of the Messiah's redemption amid the turmoil of the world and the worship of his people that one can best see God's beauty. **Everyday Glory** Gerald R.

McDermott, 2018-11-20 How do we know and speak about God's relation to this world? Does God reveal himself through his creation? This book recaptures a Christian vision of all reality that the world is full of divine signs that are openings into God's glory. Bringing together insights from some of the tradition's greatest thinkers—Edwards, Newman, and Barth—Gerald McDermott resurrects a robust theology of creation for Protestants. He shows how and where meaning can be found outside the church and special revelation in various realms of creation, including nature, science, law, history, animals, sex, and sports.

The Great Theologians Gerald R. McDermott, 2025-12-23 Who are the church's great theologians? What was special about their teaching? What can we learn from them today? Gerald McDermott has written this book for those who want a solid introduction that is challenging but not overwhelming. Provocative but satisfying. And not too long. McDermott not only informs us about eleven pivotal theologians from Origen to von Balthasar but helps us sort out what is of continuing value.

today With study questions at the end of each chapter this book is perfect for small groups to go through together As you do you ll explore your shared theological history and uncover more about what and why you believe Here s your chance to think with the greats about God

Race and Covenant: Recovering the Religious Roots for American Reconciliation

Gerald McDermott,2020-10-15 *World Religions* Gerald R. McDermott,2011 Gerald R McDermott explains what you need to understand about major world religions in order to engage people of other faiths while better understanding your own Christian faith and practice *One Holy and Happy Society* Gerald McDermott,1992-09-15 Jonathan Edwards 1703-58 was arguably this country s greatest theologian and its finest philosopher before the nineteenth century His school of disciples the New Divinity exerted enormous influence on the religious and political cultures of late colonial and early republican America Hence any study of religion and politics in early America must take account of this theologian and his legacy Yet historians still regard Edwards s social theory as either nonexistent or underdeveloped Gerald McDermott demonstrates to the contrary that Edwards was very interested in the social and political affairs of his day and commented upon them at length in his unpublished sermons and private notebooks McDermott shows that Edwards thought deeply about New England s status under God America s role in the millennium the nature and usefulness of patriotism the duties of a good magistrate and what it means to be a good citizen In fact his sociopolitical theory was at least as fully developed as that of his better known contemporaries and more progressive in its attitude toward citizens rights Using unpublished manuscripts that have previously been largely ignored McDermott also convincingly challenges generations of scholarly opinion about Edwards The Edwards who emerges from this book is both less provincial and more this worldly than the persona he is commonly given

Claiming Christ Robert L. Millet,Gerald Robert McDermott,2007 An evangelical and a Mormon discuss their views about Jesus offering an honest appraisal of the two views and establishing grounds for continued conversation *God's Rivals* Gerald R. McDermott,2009-08-20 Gerald R McDermott explores the question Why are there other religions He looks at teaching from the Old and New Testaments and from a number of key teachers from the early church to suggest an answer to this perplexing but intriguing question **The New Christian Zionism** Gerald R. McDermott,2016-09-10 Christian Zionism is often seen as the offspring of premillennial dispensationalism But the authors of this work contend that the biblical and theological connections between covenant and land are nearly as close in the New Testament as in Old Written with academic rigor this provocative volume proposes a place for Christian Zionism in an integrated biblical vision today

Gerald R Mcdermott Introduction

In the digital age, access to information has become easier than ever before. The ability to download Gerald R Mcdermott has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Gerald R Mcdermott has opened up a world of possibilities. Downloading Gerald R Mcdermott provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Gerald R Mcdermott has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Gerald R Mcdermott . These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Gerald R Mcdermott . Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Gerald R Mcdermott , users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Gerald R Mcdermott has transformed the way we access information. With the convenience, cost-

effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
