Siegfried Schieder, Manuela Spindler

Goldstein International Relations 10th Edition Study Guide:

The Final Frontier Joel R. Campbell, Gigi Gokcek, 2019-03-08 The proposed book uses the Star Trek television movie and Star Wars movie series to explain key international relations IR concepts and theories It begins with an overview of the importance of science fiction in literature and film television It then presents the development of the Star Trek and Star Wars franchises and discusses how their progression through time has illustrated key IR theories and concepts As a bonus it compares the two franchises to another recent science fiction franchise used to teach IR Battlestar Galactica

Fundamental Principles of International Relations J. Martin Rochester, 2010-02-23 This lucid and engaging volume provides an essential framework for introducing students to the fundamentals of world politics by clarifying the complexities of its rapidly changing context

Theories of International Relations Siegfried Schieder, Manuela Spindler, 2014-05-23 This book is a comprehensive guide to theories of International Relations IR Given the limitations of a paradigm based approach it sheds light on eighteen theories and new theoretical perspectives in IR by examining the work of key reference theorists The chapters are all written to a common template The introductory section provides readers with a basic understanding of the theory's genesis by locating it within an intellectual tradition paying particular attention to the historical and political context The second section elaborates on the theory as formulated by the selected reference theorist After this account of the theory's core elements the third section turns to theoretical variations examining conceptual subdivisions and overlaps further developments and internal critique The fourth section scrutinizes the main criticisms emanating from other theoretical perspectives and highlights points of contact with recent research in IR The fifth and final section consists of a bibliography carefully compiled to aid students further learning Encompassing a broad range of mainstream traditional theories as well as emerging and critical perspectives this is an original and ground breaking textbook for students of International Relations The German edition of the book won the Geisteswissenschaften International Prize collectively awarded by the Fritz Thyssen Foundation the German Federal Foreign Office and the German Publishers Booksellers Association
