Killer in The Woods: A Psychological Thriller R. Barri Flowers, 2011-10-09 In the town of Bluffs Bay, Washington, a serial killer dubbed by the press as The Woods Strangler is killing beautiful women in the affluent neighborhood of The Woods. In an effort to bring the community together to fight this terror, Selene Herrera, director of a local battered women's shelter, helps establish a neighborhood crime watch group. She is newly married to her second husband, Quinn, who is named the director of The Woods Citizens Against Crime group. A best-selling mystery novelist and nonfiction writer, he too is on a second marriage, having lost his first wife to violence. The Herreras' life together is threatened when Selene's abusive ex-husband, Michel Giovanni, shows up in town under the guise of seeking the reward money offered for information leading to the killer. But he soon begins to stalk Selene, wanting her back and determined to have her any way he can. Selene starts to receive calls from an anonymous caller implicating Quinn as The Woods Strangler. Though she tries to dismiss it, the chilling calls and continued murders unnerve Selene and threaten to undermine her marriage. Quinn fights the allegations as best as possible while keeping secrets that he fears could destroy his life with Selene. Selene is also faced with the demands of running a battered women's shelter, including trying to help a battered policewoman and dealing with a fire at the shelter caused by an arsonist. A strong set of supporting characters includes Police Officer Ashley Leighton, who hides her dangerous abusive relationship while trying to do her job in pursuit of a killer; Homicide Detective Dennis Cramer, who is faced with the realization that a serial killer might be one of his neighbors in The Woods and must be stopped at all costs; Marvin and Elisa Bonet, the Herreras' next-door neighbors; Todd Foxworth, a spa owner whose girlfriend becomes a victim of the strangler; and Julian McKenzie, a local firefighter. Selene tries to keep her head above water as the killer prowls the neighborhood and sets his sights on her to join his growing list of victims.

Good Writing is Like Good Sex: Sort of Sexy Thoughts on Writing C. S. Johnson,2019-03-30 What makes a book sexy I m not talking about erotica per say but what is the difference between a book you eagerly devour and a book you slum your way through While there are individual exceptions the most objective difference between a good story and a downright terrible one is simple it all comes down to the writing It s either good writing and we can forgive the technical flaws a little more easily or it s bad writing and bad writing is just bad Good writing is more than just good writing Good writing is sexy If you re a fiction writer looking to improve your writing skills this is the perfect provocative read to encourage you to get down to business and write your story Inside Good Writing is Like Good Sex you will find A titillating perspective on the writing process The secret to why your story is special and how you can make it sexier Tips on romancing your readers How to write irresistible characters Basic writing and story concepts with advanced insights and all in a non gratuitous fashion with a lot of innuendos C S JOHNSON is the award winning genre hopping author of several novels including young adult sci fi and fantasy adventures such as the Starlight Chronicles series the Once Upon a Princess saga and the Divine Space Pirates trilogy She has written articles for The Rebelution MTL Magazine Hollywood in Toto StudioJake and more With a gift for sarcasm and an apologetic heart she currently lives in Atlanta with her family FROM THE BOOK So what s so special about your book It s still a terrifying question but the more you see it the better you can prepare to answer it It might be hard for you to realize that your book is special at all especially if you are a new writer or you re one of those people who struggle with self confidence I can assure you from personal experience you are in good company I know exactly how that feels But your book will be special because it s yours It is your words written down on paper your story written for the world to see and the book you were born to write It s yours This is something that people tend to say about kids and I like using this analogy here because kids can be the result of good sex just as my book babies are the result of my writing No one will love my real children the way I do My kids are unlike everyone else s children because they are mine And no one will ever love my husband the way I do because he is the one I chose and the one who chose me back Your own love story will be special because it s yours Your book will be special too But let s face it special has its limits especially when it comes to the competitive writing market Your unique outlook should be what tips the balance in your favor and you do yourself a lot of favors if your tipping point doesn t have a lot of unattractive baggage dragging it down This means you need to take care to make your book be its best WHAT READERS ARE SAYING An absolutely brilliant cheeky and fun guide to writing better Great for anyone tired of bland writing guides Liliyana Book Review Chock full of useful writing advice written by a woman who clearly knows what she s talking
