Originally developed for EngageNY and written with a focus on the shifts in instructional practice and student experiences, the standards require Paths to College and Career includes daily lesson plans, guiding questions, recommended texts, scaffolding strategies, and other classroom resources. Paths to College and Career is a concrete and practical ELA instructional program that engages students with compelling and complex texts. At each grade level, Paths to College and Career delivers a yearlong curriculum that develops all students' ability to read closely and engage in text-based discussions, build evidence-based claims and arguments, conduct research, and write from sources, and expand their academic vocabulary. Paths to College and Career's instructional resources address the needs of all learners, including students with disabilities, English language learners, and gifted and talented students. This enhanced curriculum provides teachers with freshly designed Teacher Guides that make the curriculum more accessible and flexible, a Teacher Resource Book for each module that includes all of the materials educators need to manage instruction, and Student Journals that give students learning tools for each module and a single place to organize and document their learning. As the creators of the Paths ELA curriculum for grades 6-12, PCG Education provides a professional learning program that ensures the success of the curriculum. The program includes Nationally recognized professional development from an organization that has been immersed in the new standards since their inception. Blended learning experiences for teachers and leaders that enrich and extend the learning. A train-the-trainer program that builds capacity and provides resources and individual support for embedded leaders and coaches. Paths offers schools and districts a unique approach to ensuring college and career readiness for all students, providing state-of-the-art curriculum and state-of-the-art implementation.

Connect the Dots: The Collective Power of Relationships, Memory and Mindset Nina Dibner, Tricia Taylor, 2019-09-27 We are spoiled for choice. Educational research abounds, and countless teaching tips and trends are available at our fingertips. Where do you start? Connect the Dots presents three key interconnected areas of focus that will have the most impact on teaching and learning: 1. Building Strong Relationships: creating a sense of belonging, establishing norms, and high expectations, and understanding barriers like unconscious bias and misconceptions in order to break them down. 2. Maximising Memory: managing cognitive load using effective learning strategies, planning for long-term retention, and application of knowledge. 3. Cultivating Learning Mindsets: building self-efficacy, developing metacognitive skills, and using feedback, goal setting, and talk effectively. Each of these three chapters lays out the research worth knowing and applies that research to ready-to-use teaching tools for real classrooms. The chapters conclude with detailed guides to support leadership in creating personalised professional learning sessions to turnkey these concepts to school staff. Connect the Dots is a book

for educators by educators Conceived by lead author Tricia Taylor who started as a teacher in the US but has been teaching in UK schools for nearly two decades as well as running her consultancy Tailored Practice and co authored by Nina Dibner a veteran US educator and founder of PowerTools an American educational consulting firm Connect the Dots offers a transcontinental lens Illustrated by Oliver Caviglioli the graphics and layout make the book incredibly accessible and a joy to read
