McMahon, 2003-01-01 On his second day as association minister for the United Church of Christ David McMahon received three phone calls from lay leaders who were looking for resources on how to evaluate our minister He knew of several churches in which a poorly constructed process for evaluating the ministers had spun out of control however and had gradually come to believe it is probably better for a church not to attempt an evaluation process at all than to do one carelessly or to naively use a design intended for a secular organization Based on the needs he saw McMahon began to work with numerous congregations looking for ways to review both leaders and ministries and developed the feedback reflection process he lays out in this book Based on sound principles of effective communication this simple system of asking for descriptive feedback about various aspects of a congregation s life together takes into account the specific setting and the unique relationship between minister and congregation **The Edinburgh Review** ,1884 **The American Monthly Review of Reviews** Albert Shaw, 1907 **The American Monthly Review of Reviews** ,1898 **The Western Film Review** Chuck Lewis, 2004-09-20 With this collection of reviews fans of western movies can enjoy taking another special look at some of our favorites with western author Chuck Lewis as he offers us insight and a unique view of the films we like or even those we don t like We might remember some of them with a nostalgia that doesn t match up with what the movie was
