### **Goodenough Mother The Perfectly Imperfect Of Parenting English Edition:**

Good-Enough Mother René Syler, 2008-04-22 Syler explains how she learned to chuck perfection for practicality offering sage advice and tips on navigating different obstacles while offering real wisdom about mothering that is tempered with humor and warmth

**Intensive Mothering: The Cultural Contradictions of Modern Motherhood** Linda Rose Ennis, 2014-12-01 To celebrate the twentieth anniversary of Sharon Hays landmark book *The Cultural Contradictions of Motherhood* this collection will revisit Hays concept of intensive mothering as a continuing yet controversial representation of modern motherhood In Hays original work she spoke of intensive mothering as primarily being conducted by mothers centered on children s needs with methods informed by experts which are labourintensive and costly simply because children are entitled to this maternal investment While respecting the important need for connection between mother and baby that is prevalent in the teachings of Attachment Theory this collection raises into question whether an over investment of mothers in their children s lives is as effective a mode of parenting as being conveyed by representations of modern motherhood In a world where independence is encouraged why are we still engaging in intensive motherhood

**Encyclopedia of Motherhood** Andrea O'Reilly, 2010-04-06 In the last decade the topic of motherhood has emerged as a distinct and established field of scholarly inquiry A cursory review of motherhood research reveals that hundreds of scholarly articles have been published on almost every motherhood theme imaginable The Encyclopedia of Motherhood is a collection of approximately 700 articles in a three volume A to Z set exploring major topics related to motherhood from geographical historical and cultural entries to anthropological and psychological contributions In human society few institutions are as important as motherhood and this unique encyclopedia captures the interdisciplinary foundation of the subject in one convenient reference The Encyclopedia is a comprehensive resource designed to provide an understanding of the complexities of motherhood for academic and public libraries and is written by academics and institutional experts in the social and behavioural sciences

**The Insta-Food Diet** Pixie Turner,2020-08-06 Social media is a major part of modern life Most of us can t imagine not using it and it s unrealistic to assume that s even possible We are obsessed with social media We share pictures of our food and inspect what everyone else is eating compare calories and macros and get involved in wacky and dangerous food challenges We think we re in control but most of us have no idea how much of an impact it has Did you realise that posting pics of your meal can actually make it taste better That cleaneating is giving you anxiety That the influencers you follow are actually shaping government policy around food Pixie Turner is here to arm you with everything you need to know to take

back control and make social media work for you      *Raising Good Humans Every Day* Hunter Clarke-Fields, 2023-08-01 As parents it s the little things we do each day that can make all the difference in raising kind confident and conscientious kids But in the midst of the daily rush busy parents need effective tools to stay present and manage emotions both their child s and their own Building on the success of *Raising Good Humans* this in the moment guide offers 50 quick simple ways to help readers stop reacting and start parenting with intention      **New Books on Women and Feminism** ,2008      **My Child Came With No Instructions** Belinda Nell, 2025-09-02 Brain Science for Raising Humans Who Think Differently Parenting Guide to Neuroscience Behaviour and Building Your Child s Strengths One in seven people are neurodivergent If that includes your family you have probably realised that most parenting advice was written for children who eat broccoli for fun go to bed without arguing and remember every instruction the first time Your child does not come with a factory setting and they are definitely not here to make your life easy They think move and react in ways that make perfect sense to them even if it looks like chaos to everyone else An eight year old s brain is still under construction until around 25 That construction site is busy juggling more stimulation than generations before ever experienced So yes they can remember every Pok mon but forget shoes That is not your failing It is modern life meeting a brain that is still figuring itself out Most parenting advice bounces off like glitter on a toddler it spreads everywhere and makes everything more complicated Gentle parenting promised calm emotionally intelligent children Instead yours just had a meltdown because you dared to blink Rigid routines Great in theory but your child thrives on unpredictability and considers repetition a personal affront Traditional parenting advice bounces off neurodivergent children like glitter off a toddler it just spreads everywhere and makes everything more chaotic The internet promised that gentle parenting would raise emotionally intelligent humans Your child just had a meltdown because you breathed too loudly Your colleague swears by rigid routines but your kid thrives on chaos and falls apart when Tuesday looks too much like Monday Every parenting guru has apparently cracked the code yet somehow none of them have met your actual child who treats sleep like it s optional and vegetables like they re personally offensive If your child is autistic has ADHD is twice exceptional or processes the world differently in any way you ll find strength based approaches that celebrate uniqueness whilst providing practical support for challenges No more trying to fit square pegs into round holes or feeling guilty about your child being too much of anything Single parent Blended family Co parenting across two households Join the club of families who don t look like 1950s sitcoms but somehow manage to create love laughter and only occasional chaos There is no perfect family structure only families figuring out what works for their particular collection of humans This book won t give you magic formulas because they don t exist Instead you ll get frameworks that bend without breaking strategies tested by real families dealing with real life and permission to trust your instincts whilst still learning new tricks You ll discover why your child s meltdowns aren t manipulation but communication how to have difficult conversations without everything falling apart and practical ways to prepare kids for an uncertain future whilst keeping your

own sanity intact Children don't need perfect parents who never lose their temper They need parents who show up consistently repair when things go wrong and remain genuinely curious about who their children are becoming rather than who they think they should be Your child came without instructions but you're learning to read them anyway That's exactly what good parenting looks like

**Parenting With OCPD** Willard Mario Nixon, Break the Cycle of Perfectionist Parenting and Raise Confident Resilient Children Do you find yourself constantly correcting your children struggling with their messiness or feeling anxious when family routines get disrupted Are you tired of daily battles over homework chores and doing things the right way You're not alone and more importantly change is possible The OCPD Parent's Guide offers a compassionate research based approach to transforming rigid parenting patterns into flexible connected family relationships This comprehensive guide helps parents with Obsessive Compulsive Personality Disorder OCPD traits break free from perfectionist cycles that create stress and distance in families What You'll Discover How to recognize OCPD patterns in your daily parenting and their impact on your children The science behind perfectionist transmission and how to stop passing these patterns to the next generation Age specific strategies for fostering independence while maintaining necessary structure Practical tools for managing control urges and responding to mistakes with compassion Evidence based therapeutic techniques adapted for everyday family situations Emergency protocols for high stress parenting moments Templates for collaborative family agreements that honor everyone's needs Transform Your Family Dynamic Replace criticism with curiosity and connection Learn to embrace good enough parenting that actually produces better outcomes Develop flexibility skills that reduce family stress and conflict Create a growth mindset household that celebrates effort over perfection Build secure attachment relationships despite perfectionist tendencies Comprehensive Resources Include Daily tracking worksheets and practice exercises Quick reference emergency cards for overwhelming moments Family contract templates for screen time homework and teen independence Crisis intervention strategies and professional resource directories Self compassion techniques specifically designed for perfectionist parents This isn't just another parenting book it's a complete roadmap for healing generational patterns and creating the warm connected family relationships you've always wanted Every strategy is grounded in current research on OCPD child development and family systems yet presented in accessible practical terms Perfect for parents who Struggle with controlling behaviors despite loving their children deeply Want to maintain high standards without creating anxiety in their families Feel exhausted from constant battles over minor issues Recognize their perfectionist patterns but don't know how to change them Want to break cycles of criticism and create more joy in their homes Your children don't need perfect parents they need authentic growing emotionally available parents This guide shows you how to become exactly that while honoring your values and maintaining appropriate structure Stop passing perfectionism to the next generation Start building the family legacy of love acceptance and growth that your children deserve

**Provoking Curriculum Studies** Nicholas Ng-a-Fook, Awad Ibrahim, Giuliano Reis, 2015-08-11 Provoking

Curriculum Studies pushes forward a strong reading of the theoretical and methodological innovations taking place within curriculum studies research Addressing an important gap in contemporary curriculum studies conceptualizing scholars as poets and the potential of the poetic in education it offers a framework for doing curriculum work at the intersection of the arts social theory and curriculum studies Drawing on poetic inquiry psychoanalysis phenomenology life writing and several types of arts based research methodologies this diverse collection spotlights the intellectual genealogies of curriculum scholars such as Ted Aoki Geoffrey Milburn and Roger Simon whose provocations inquiries and recursive questioning link the writing and re writing of curriculum theory to acts of strong poetry Readers are urged to imagine alternative ways in which professors teachers and university students might not only engage with but disrupt blur and complicate curriculum theory across interdisciplinary topographies in order to seek out blind impresses those areas of knowledge that are left over unaddressed by mainstream curriculum scholarship and that instigate difficult questions about death trauma prejudice poverty colonization and more Running on Empty Ellen Sue Stern,1992 Based on her own widely respected book *The Indispensable Woman* Ellen Sue Stern has taken the observations and recovery program which made that book so valuable and developed them into a daily meditational for women running on empty who give to everyone but themselves

*American Book Publishing Record* ,2007 *Self-Care for New Moms* Corinne Crossley,2021-04-20 Explore postpartum self care strategies for eating body image emotions nursing and milk production sex and so much more The role of motherhood is one where women are continuously asked to focus on the needs of everyone else but themselves This is a significant issue in the arena of self care where we often ignore our own hunger energy levels and emotions in the pursuit of taking care of others Written from the perspectives of both therapist and busy mom *Self Care for New Moms* features several eye opening exercises interviews from a village of experts who also happen to be moms and helpful interventions to help you get through the chronic depletion common to the postpartum year Self care strategies include Exercise and yoga Pelvic floor recovery work Psychotherapy Self compassion techniques Complementary and alternative methods massage chiropractic or acupuncture Simple recipes Methods for reconnecting with your partner And so much more The practical exercises and comforting techniques in this book will help you manage one of motherhood s biggest challenges self care **Mothers on Trial** Phyllis Chesler,2011-07-01 Completely updated and revised for the twenty first century *Mothers on Trial* remains the bible for all women facing a custody battle as well as the lawyers psychologists and others who support them This landmark book was the first to break the false stereotype about mothers getting preferential treatment over fathers when it comes to custody In this new edition Chesler shows that with few exceptions the news has only gotten worse when both the father and the mother want custody the father usually gets it The highly praised *Mothers on Trial* is essential reading for anyone concerned personally or professionally with custody rights and the well being of our children
