This fully revised fourth edition of *Teaching English Language and Literacy* includes up-to-date research and updated discussion of effective teaching. Throughout the book, there is guidance on England's new National Curriculum and its impact. Rooted in research evidence and multidisciplinary theory, this book is an essential introduction for anyone learning to teach English from the early years to primary school level. The authors draw on their research scholarship and practice to offer advice on inclusion and equality, including working effectively with multilingual pupils, speaking and listening, developing reading, including choosing texts and phonics, teaching improving writing, including grammar and punctuation, planning and assessing the latest thinking in educational policy and practice, the use of multimedia, maintaining good home-school links. All the chapters include examples of good practice, coverage of key issues, analysis of research and reflections on national policy to encourage the best possible response to the exciting challenges of teaching. Each chapter also has a glossary to explain terms and gives suggestions for further reading. This authoritative book is for all those who want to improve the teaching of English language and literacy in schools. Designed to help inform trainee teachers and tutors but also of great use to those teachers wanting to keep pace with the latest developments in their specialist subject, this is an indispensable guide to the theory and practice of teaching English language and literacy.

Unlocking Literacy Robert Fisher, Mary Williams, 2013-05-13 An edited collection describing key issues in supporting literacy development, this book helps to unlock the mysteries behind helping children learn to read, write, speak and listen. It explores ways to help children develop their skills in literacy, thinking and learning, and shows how literacy teaching can be used creatively and imaginatively with children of all ages and abilities. The new edition of this well-known text reflects the importance of creativity and the new Primary Strategy offers approaches to teaching literacy that accord with and beyond the literacy hour. Includes coverage of the Foundation Stage curriculum in every chapter, covers the inclusion agenda and supporting EAL pupils, highlights the importance of popular culture and visual literacy in children's lives. Interweaving pedagogy with theory and practical suggestions, this book is firmly based in classroom and academic research to support both trainee and practising teacher in the realities of teaching and learning in literacy.
