*Storm on the Horizon* David J. Morris,2004-02-16 Storm on the Horizon is the little known story of the key land battle of Desert Storm the Battle for Khafji and how that engagement has become part of military history Combining some of the most powerful writing on war ever with a Marine s eyeview of combat former Marine officer David J Morris has brilliantly recreated this crucial battle that nearly changed the outcome of the Persian Gulf War Storm on the Horizon is war writing at its finest On January 29 1991 Saddam Hussein launched his three best armored divisions across the Kuwaiti border and into the Islamic Holy Land of Saudi Arabia Their mission to disrupt the massive U S led Coalition preparing to evict them from Kuwait and to bloody the Americans on CNN Caught without warning in the path of this juggernaut were scattered groups of lightly armed U S Marines and Special Forces soldiers Storm on the Horizon is the gripping and compelling story of how these elite fighting men escaped the Iraqi onslaught and reversed the assault with an unprecedented combination of high tech weaponry and American know how This is the story of the first battle of the smart bomb age Storm on the Horizon drops you in the middle of the most intense battle of the Persian Gulf War The Marines are trapped and outnumbered their weapons no match against the Iraqi tanks bearing down on them Their only lifeline to the rear is a barely functioning radio

Drawing upon extensive veteran interviews and previously classified reports David J Morris's vivid minute by minute narrative takes you through the battle from its beginning as a scattered collection of skirmishes to its fiery final act in the streets of the abandoned Saudi Arabian town of Khafji Morris captures this ordeal through the eyes of the men who were there giving readers a rare front row seat to an incredible sequence of events Max Morton the pilot of a Cobra attack helicopter is forced to make an emergency landing in the heart of Khafji as the Iraqis are attacking He and his crew narrowly escape after locating a tank of mystery fuel at a local oil refinery Medic Kevin Callahan member of a team of Marines caught behind enemy lines watches helplessly as a female U S Army soldier and her male comrade are captured by Iraqi soldiers and spirited to Baghdad Ronald Tull suffering untold wounds wakes up next to his burning light armored vehicle thinking that it has been struck by an enemy tank round Only later does he learn the full horror of the events that led up to the death of his seven buddies who were on board But *Storm on the Horizon* is far more than a battle saga It is a thoughtful examination of a new generation of fighting men coming to terms with its own war a journey into the minds of men under supreme stress and a heartfelt account of the innocence lost in a heartbeat and mourned for a lifetime At once an unflinching chronicle of men at war and an appalling tableau *Storm on the Horizon* looks into the savage heart of modern combat and raises troubling questions about the era of conflict that lies ahead *Tommytown 2* Robert L. Saunders, 2007-12-14 This sequel to the captivating novel *Tommytown* will rip through the hearts of all mothers In the 1950's Helen the 35 year old mother living in sheer poverty with nine children is compelled to overcome another hurdle as she maintains a balancing act from one day to the next in order to provide food and a loving home for her children In *Helen's Song* the author does an extraordinary job of painting an accurate picture of what it's like and what it means for a mother living in poverty with no public assistance He'll educate you to the challenges that Helen faced each day and you'll get some understanding of how different her world is from yours He tears down the misunderstood and influencing social definition that poor folks won't amount to anything The intellectuals of the academic world write tons of books on poverty that appeal to theory or meaningless data However their answers or remedies are minimal and when it comes to understanding what it's really like to live in sheer poverty they haven't the foggiest conception This is not a *Beaver Cleaver* meets *Opie* story but it is a story that makes you care It's a novel about a mother Helen living in a world that most people never experience *Up the Downside* Gloria Dunbar, 2017-05-30 Valerie Taylor is a young lady who has it all beauty brains and a bright future She yearns for romance but she just doesn't seem able to get it right She has a couple of back to back affairs with Anton who deceives her for another and Bobby who is staunchly married to his career Valerie discovers herself with child not certain who the father is She's devastated and left alone with Clare her snobbish racist puritanical mother Being a single mom was absolutely not in her plans Valerie and her young son Barry glide through the years Valerie has given up on love or at least she had until Andrew a successful physician pops into her life In time Andrew loves Valerie and Barry too He's the dad Barry has always wanted Clare thinks he's perfect for her

daughter Andrew wants to tie the knot but Valerie is reluctant Love hasnt worked for her in the past Why would it now With the constant coaxing of Barry and Clare Valerie finally allows Andrew to slip a ring on her finger Theyre a happy pair until tragedy occurs Valeries proud of Barry who is now a college student Barry has proven to be a great football player Hes in his junior year and his team makes it to the Rose Bowl in Pasadena California Bobby lives in California He sees Barrys picture in the LA Times and recognizes his resemblance to Valerie He thinks this might be the kid he fathered with Valerie and has been secretly supporting for the past nineteen to twenty years Maybe he wanted nothing to do with the kid all those years ago but its different now Bobby wants to know his son although Valerie might object No matter Bobby calls Valerie And with a bit of turmoil love persists
