Hero Dogs Secret Missions And Selfless Service:

Hero Dogs Lance M. Bacon, Ron Aiello, 2012 **Hero Dogs** Lance Bacon, 2014-12-10 In *Hero Dogs* learn about modern day heroes who run on four legs instead of two specially trained war dogs Today s specially trained military canines like the anonymous canine hero that took part in the top secret mission against Osama bin Laden are a breed apart assisting their human friends in locating improvised explosive devices conducting clandestine missions and more War dogs are specially trained to fight in combat alongside their soldier compatriots and this book takes a look at some of their training as well as their combat missions War dogs are not only trained for battle they are also trained to stay beside their owners who may suffer from PTSD after a conflict It is non negotiable that war dogs are essential to the armed forces of today and for future soldiers Many have earned recognition for heroism Others struggle with wounds and post traumatic stress Dozens died in the line of duty *Hero Dogs* not only tells stories of hero dogs but also contains beautiful photos of hero dogs in action on the battlefield and in civilian life Filled with hundreds of dramatic never before seen photos this one of a kind book features inspiring tales of selfless battlefield service related by the war dogs handlers and fellow soldiers **Brave Hearts** Meish Goldish, 2015-01-01 One evening in January 2010 an 11 year old boy named Austin went outside to collect firewood in the backyard of his home As he got closer to the woodshed he saw a large animal with round ears and large teeth Luckily Austin had brought his golden retriever Angel with him Suddenly the animal a ferocious cougar leapt at Austin Angel sprang into action and bravely jumped in front of the cougar to protect the boy Austin then raced inside to get help as Angel and the cougar fought The brave hearted canine had saved her owner s life In this inspiring book young readers will meet a variety of courageous dogs willing to risk their lives to protect their human companions from a pit bull that saved her owner from dangerous robbers to a German shepherd wolf mix that dragged her elderly owners to safety during a snowstorm Packed with real life stories and dramatic full color photos of these remarkable animals this book is sure to be a favorite of dog lovers everywhere *Special Ops: Search and Rescue Operations* Carol Hand, 2014-12-15 The heroic combat search and rescue work of the United States Air Force s pararescue jumpers or PJs is something worth knowing about After all these courageous PJs are the first in line to find and rescue fallen soldiers and civilians in the most dangerous of war zones often risking their own lives in the process In these pages the basic principles history and structure of American combat search and rescue teams is thoroughly covered with particular focus on true stories of PJ rescue missions and the equipment vehicles and weapons they use **Selfishness and Selflessness** Linda L. Layne, 2020-04-09 We are said to be suffering a narcissism epidemic when the need for collective action seems more pressing than ever The traits of Selfishness and selflessness address the proper and improper relationship between one s self and others The work they do during periods of social instability and cultural change is probed in this original interdisciplinary collection Contributions range from an examination of how these concepts animated the eighteenth century anti slavery campaigners to a dissection of the way

middle class mothers experiences illustrate gendered struggles over how much and to whom one is morally obliged to give

A Certain Summer Patricia Beard, 2021-05-27 Nothing ever changes at Wauregan That is the mystique of the idyllic island summer colony the comforting belief its multi generation families have lived by for half a century But in 1948 after a world war has upended countless lives it is not certain that the islanders will be able to return to the old days and for Helen Wadsworth the war is not over Helen s husband Arthur was declared missing in action during an OSS operation in France and she is unable to find out what happened or whether he might even now be alive Raising a teenage son who like his mother longs to know the truth Helen turns to Frank Hartman her husband s best friend and his partner on the OSS mission on which Arthur was lost while Frank escaped But Frank seems more intent on filling the void in Helen s life which Arthur has left than in answering her questions And then Peter Gavin a young Marine who was captured and tortured by the Japanese returns to the island with his faithful war dog and man and dog enter the lives of Helen and her son Unsure of whom to trust or what to believe Helen takes matters into her own hands As she seeks the truth she makes a shocking discovery that will alter the course of her life and change her perceptions of love and war A mystery a love story and an insider s view of a private world A Certain Summer resonates long after the last page is turned Equal parts novel of manners historical fiction and a quiet examination of social mores A Certain Summer weaves important questions about class gender trauma and family through its seemingly simple narrative as artfully as an experienced hostess arranges the seating at a dinner table so that conversations flow But Ms Beard shows that even magical retreats like Wauregan are subject to the vicissitudes of the modern world In the end it seems that Wauregan s magic prevails in its very ability to change in a way that stays true to its origins or even more precisely that magic prevails as Wauregan learns it must change to stay true to its origins The East Hampton Star Woven into this tale of loss and romance are themes of intrigue growth betrayal psychological trauma and a fulfilling healing process Beard s attention to historical details and understanding of the realities and shortfalls of privilege make a satisfying read Publisher s Weekly A richly evocative debut novel Goodreads A really satisfying read I m crazy about A Certain Summer a perfect summer book Bookreporter com
