Hero S Burden:

The Rhetoric of Heroic Expectations Justin S. Vaughn, Jennifer Mercieca, 2014-02-15 Campaign rhetoric helps candidates to get elected but its effects last well beyond the counting of the ballots this was perhaps never truer than in Barack Obama s 2008 campaign Did Obama create such high expectations that they actually hindered his ability to enact his agenda Should we judge his performance by the scale of the expectations his rhetoric generated or against some other standard The Rhetoric of Heroic Expectations Establishing the Obama Presidency grapples with these and other important questions Barack Obama s election seemed to many to fulfill Martin Luther King Jr s vision of the long arc of the moral universe bending toward justice And after the terrorism war and economic downturn of the previous decade candidate Obama s rhetoric cast broad visions of a change in the direction of American life In these and other ways the election of 2008 presented an especially strong example of creating expectations that would shape the public s views of the incoming administration The public s high expectations in turn become a part of any president s burden upon assuming office The interdisciplinary scholars who have contributed to this volume focus their analysis upon three kinds of presidential burdens institutional burdens specific to the office of the presidency contextual burdens specific to the historical moment within which the president assumes office and personal burdens specific to the individual who becomes president **The Ancient**

vegetarianism and the notion of animal rights **Olympia** Edward Norman Gardiner,1925 Salvation & Godly Rule R. J. Rushdoony,2019-05-22 Man was called to dominion Gen 1 26 28 and to establish his reign over the world under God By his fall man introduced the reign of death into the world and as long as he remains in the Fall sin reigns in him unto death both in time and eternity Christ however by His grace and the gift of righteousness enables man to reign in this world and to reign through righteousness in time and eternity Salvation means reigning As formerly rebellious slaves we are now established in kingship and described as more than conquerors Rom 8 37 in Christ because we are also kings The full meaning of salvation cannot be understood apart from the fact of reigning The multiple use of the word reign in Romans makes clear the centrality of reigning in the doctrine of redemption To defer this fact to another world is a false separation into two alien realms one the material surrendered to one god and the other spiritual reserved for the other god Neither is Biblical St Paul is emphatic we reign in life The Biblical doctrine of salvation requires it **For Women Only** Shaunti Feldhahn,2004 What's going on in a man's mind Feldhahn's research reveals the inner lives of men and will open women's eyes to what the men in their life are really thinking and feeling *Outlook* Alfred Emanuel Smith,Francis Walton,1906 *The Transmission of Medieval Romance* Ad Putter,Judith Anne Jefferson,2018 Romances were immensely popular with medieval readers as evidenced by their ubiquity in manuscripts and early print The essays collected here deal with the textual transmission of medieval romances in England and Scotland combining this with investigations into their metre and form this comparison of the romances in both their material form and their verse form sheds new light on their cultural and social contexts Topics addressed include the singing of Middle English romance the printed transmission of romance from Caxton to Wynkyn de Worde and the representation of the Otherworld in manuscript miscellanies *World War I on Film* Paul M. Edwards,2016-03-11 One of the central events of modern history World War I has been poorly presented in English language films Torn between the powerful isolationist movement in the U S and a growing hatred of the Hun contemporary films were mainly propaganda calling citizens to arms The American film industry used the outbreak of the war and the government's interest in promoting patriotic sacrifice as a means to expand and take the lead in the film industry worldwide More a business model than an art form these early efforts claimed a place of respectability for film among the arts Twenty years later though films produced about the war were few they were technically superior and generally carried conflicting messages about the war's mission and value while focusing more on storyline than history This study of English Language World War I films examines nearly 350 films from 1914 to 2014 Descriptions and critiques of each of the films are included with stories and details about the actors and directors **The Desperado Age** , Sword and Shield RPG Ronnie Forschen,2018-08-09 This role playing game takes the players in to the exciting dystopian comic book world of Sword and shield It's about time The players create the characters that will help either save the world or dominate it as a villain
