Hes My Husband:

HE'S MY HUSBAND! Lindsay Armstrong, Mizuho Ayabe, 2019-09-01 When nineteen year old Nicola's father passed away she married his business partner Brett. She'd always had feelings for him so when they married she was over the moon. But her happiness didn't last. It seems that Nicola's father arranged the marriage before his death because he was worried that men would come after her for her money. The whole wedding was arranged just to protect her. As time passes she knows that it's futile to wish for a true passionate marriage with Brett and with her twenty first birthday approaching she'll soon be able to give him back his ring and break things off.

But God, He's my Husband Dishon Tracy, 2023-04-06 But God He's My Husband. Most believers and non believers alike do not believe in the supernatural. They do not really believe that there are other forces that surround us every day. They do not believe that God or Satan can be responsible for marriage, divorce, friendship, companionship, job, murder, etc. Dishon Tracy came to know the existence of God and Satan in a real way. Though she was reared in church, all churches certainly do not have the same teachings just as Jesus and the Pharisees' teachings were not alike. Later she was exposed to the power of the living God. She learned that when the Holy Spirit speaks we better listen carefully and do what is required of us. In this book you will learn what she did wrong and what she did right. You will get to know her in an Antichrist state and as a Christian. You will learn not to judge lest ye be judged. Come with her and find out what happens when you do not listen to the Holy Spirit. Some do not see tomorrow. However in her case she is here to testify the mercy of God's grace even when we get off of His road of righteousness. These things I have spoken unto you that in me ye might have peace. In the world ye shall have tribulation but be of good cheer. I have overcome the world. John 16:33.

The Social Science of Same-Sex Marriage Aaron Hoy, 2022-01-29 Showcasing research from across the social sciences this edited volume seeks to provide readers with an empirically grounded sense of how many lesbian, gay, bisexual and transgender LGBT people marry in the US and Canada, what their marriages look like and how LGBT people themselves are impacted by marriage and marriage equality. Prior to marriage equality lawmakers and activists across the political spectrum debated whether same sex couples should have the legal right to marry and likewise academic research to date has focused mostly on the politics of same sex marriage. However this edited volume focuses on LGBT people themselves and their intimate relationships in the era of marriage equality. Including both quantitative and qualitative social science research it features 14 primary chapters that examine a diverse set of topics including demographic patterns in same sex marriage and cohabitation, marital aspirations and motivations among LGBT people, arrangements and dynamics within same sex relationships and the legal benefits and informal privileges associated with marriage. The edited volume will be of interest to scholars across a wide range of disciplines including sociology, psychology, child and family studies, communications, social work and economics while also offering valuable information for laypeople generally interested in families and or LGBT studies.

I Will Never Trust a Man Dr. Kumdong Bindul Nostra, 2014-06-16 From the very first moment Saratu met Bindul he made her believe that she was more than any other woman he had ever seen in the world. He bathed her with love, bathed her and finally drowned her completely into his love. Saratu loves him with the truest love of her heart. As a matter of fact they were head over heels in love. They admired each other, they adored each other, they allured each other, they liked each other, they wanted each other, they needed each other, they beseechingly desired each other and they loved each other like politicians with corruptions. They declared their love for each other and not so long they stood in front of an overfilled church congregation to publicly declare their love for each other in a one in town society marriage. They swam in their love and lived very very comfortable and happily in love. Saratu wasn't in need of anything even sex. Bindul gave her all the practical part of love, the love that was made in heaven for a woman, that kind of love that made her feel as though she was the only EVE with the only ADAM in this modern world and she was wholly dependable on it. Like King Solomon to his wives and concubines Bindul lavished Saratu with the sweetest lovely words and praises. He gave her all that she needed in life. But when Saratu later discovered that her husband was still madly in love with Jimikat, his primeval girlfriend, things weren't the same again for her. Their loveliest sex packed marriage suffered a temporary drought of sex. Saratu first ran to her dear friend Dakmikat for help. Despite doing everything her husband clung onto Jimikat like a tick to a cow. But at the end when Bindul brought the two of them together the problem was solved and Saratu and Jimikat became very very good friends and lived very happily under
