*Theory and Practice in Adult Literacy, Learning and Social Change* Anna Robinson-Pant, Catherine Kell, 2025-08-21 Offering new theoretical empirical and methodological perspectives on adult literacy lifelong learning and social change this book challenges traditional debates on adult literacy and development The volume brings together debates and research from the Global South and Global North and is original in moving beyond descriptive accounts of adult literacy programmes classrooms and a focus on best practice It provides both a historical perspective on this field as well as looking forward to future research and pedagogical directions By broadening from an international development to a social change perspective this book offers an alternative starting point Unlike development social transformation does not set a specific agenda nor assume a certain endpoint The authors set out to investigate the why and how of the assumed connections between adult learning literacy and social change contributing a deeper understanding into the complex and often unpredictable processes involved As well as focusing on literacy learning in classrooms and

educational programmes the book explores literacy practices and adult learning in everyday spaces including social movements religious poetry and community initiatives Case studies from different cultural contexts introduce alternative theoretical lenses like the concept of the enacted body to explore a woman s experience of learning and social change in Nepal or investigating how religious poetry shared between generations in Iran could be working against social change

The Nurse Educators Guide to Assessing Learning Outcomes McDonald,2017-07-28 The Nurse Educator s Guide to Assessing Learning Outcomes Fourth Edition is a widely used resource for both faculty and nursing education students that covers the assessment of critical thinking the development of learning objectives and the creation of tests including detailed tips for writing many kinds of individual test items The book also covers the analysis of test reliability Important Notice The digital edition of this book is missing some of the images or content found in the physical edition      *Teaching Practices and Equitable Learning in Children's Language Education* Giannikas, Christina Nicole,2021-03-26 Educating children and leading them towards the path of bilingualism is a valuable and challenging task for any educator Effective language teaching can contribute to young learners cognitive growth develop their problem solving skills enhance their comprehension abilities and provide children with the satisfaction of succeeding in the challenge of learning a foreign language All these issues must be taken under consideration when researching children and their teachers The current literature indicates that further material is needed to provide professionals with different classroom situations and enhance the art of teaching children *Teaching Practices and Equitable Learning in Children s Language Education* focuses on various perspectives of efficient practices approaches and ideas for professional development in the field of young language learners The chapters in this book link the theoretical understanding and practical experience of teaching children languages by concentrating on teaching practices material design classroom management reading speaking writing and more This book is designed for inservice and preservice teachers administrators teacher educators practitioners stakeholders researchers academicians and students interested in the field of early language learning and applied linguistics at large      **The Oxford Handbook of NATO** James Sperling,Mark Webber,2025-02-05 The North Atlantic Treaty Organization NATO has since its foundation in 1949 been the principal body of the Western security order and remains as important in the 2020s as it was in the 1950s This Handbook offers the most extensive treatment of the Alliance published in the last two decades providing detailed coverage of NATO allies policies and organizational structures It brings together internationally renowned scholars who interrogate NATO s actions from historical theoretical and empirical perspectives The Handbook is divided into nine parts Following an introductory part offering a thematic overview of NATO framed by different approaches to domestic politics and global order the second part explores three broad questions what is NATO for who is NATO for and whither NATO Part Three is more expressly theoretical providing multi perspectival analyses of the Alliance Part Four then turns to how NATO works as a political military alliance Parts Five and Six are concerned with what NATO does in practical terms how it addresses a wide

range of security threats and what operations it has mounted in response Part Seven looks at some of NATO's most significant allies including France Germany Italy Poland Turkey the United Kingdom and the United States Part Eight meanwhile is concerned with partnerships and key relationships beyond NATO's membership looking at Australia Georgia Ukraine Russia China the European Union and the European neutrals as well as ties to states in the Gulf the Middle East and North Africa The final part of the volume offers reflections on NATO's recent past and possible lines of future development

**Universities and the Sustainable Development Future** Peter H. Koehn, Juha I. Uitto, 2017-04-07 Since the mid 1970s a series of international declarations that link environment and sustainable development to all aspects of higher learning have been endorsed and signed by universities around the world Although university involvement in sustainable development research and outreach has increased substantially systematic learning from higher education engagements has been limited Universities and the Sustainable Development Future offers institutions of higher learning around the world practical guidelines that can be applied contextually to produce credible evidence regarding the outcome and impact of their teaching research and transnational partnering activities Drawing on innovative applications of lessons from experience with international development cooperation this book demonstrates the utility of a flexible framework that will inspire substantial improvements in the ways universities evaluate and improve their sustainable development undertakings aimed at promoting Agenda 2030 This book promotes an inclusive evaluation framework that will allow universities to illuminate sustainable development outcomes and it provides a cutting edge resource for students scholars and policy makers with an interest in sustainable development climate change and evaluation challenges *Respiratory System Diseases* Mieczyslaw
