

Pediatrics Practice HESI

1. The nurse is giving preoperative instructions to a 14 year y/o female client who is scheduled for surgery to correct a spinal curvature. Which statement by the client best demonstrates that learning has taken place?

- A. "I will read all the literature you gave me before surgery"
- B. "I have had surgery before when I broke my wrist in a bike accident, so I know what to expect"
- C. "All the things people have told me will help me take care of my back"
- D. "I understand that I will be in a body cast and I will show you how taught me to turn"

2. Rationale: Outcome of learning is best demonstrated when the client not only verbalizes an understanding but can also provide a return demonstration

- A: 14 y/o might not do that
- B: Spinal surgery is different from wrist surgery
- C: Client may be saying what the nurse wants to hear w/o expressing any real understanding of what to do after surgery

A 2 y/o with Down syndrome is brought to the clinic for his regular physical examination.

3. The nurse knows which problem is frequently associated with Down syndrome?

- A. Congenital heart disease
- B. Fragile X chromosome
- C. Trisomy 13
- D. Pyloric stenosis
- B: Causes mental retardation
- D: Not associated with Down syndrome

4. When assessing a child with asthma, the nurse should expect intercostal retractions during...

- A. Inspiration
- B. Coughing
- C. Apneic episodes
- D. Expiration

5. Intercostal retractions result from respiratory effort to draw air into restricted airways. Which behavior would the nurse expect a 2 y/o child to exhibit?

- A. Build a house with blocks
- B. Ride a tricycle
- C. Display possessiveness of toys
- D. Look at a picture book for 15 minutes

6. Remember 2 y/o are egocentric aka everything is about them so they are unable to share with other children

ABC are behaviors of a preschooler

The mother of a preschool-aged child asks the nurse if it all right to administer Pepto Bismol to her son when he "has a tummy ache". After reminding the mother to check the label of all OTC drugs for presence of aspirin, which instruction should the nurse include when replying to this mother's question?

- A. If the child's tongue darkens, d/c the Pepto Bismol immediately
- B. Don't give if the child has chicken pox, the flu, or any other viral illness

Hayes' Principles and Methods of Toxicology A. Wallace Hayes, Claire L. Kruger, 2014-10-10 Hayes' *Principles and Methods of Toxicology* has long been established as a reliable reference to the concepts, methodologies, and assessments integral to toxicology. The new sixth edition has been revised and updated while maintaining the same high standards that have made this volume a benchmark resource in the field. With new authors and new chapters, *McGraw-Hill 4 HESI A2 Practice Tests, Fourth Edition* Kathy A. Zahler, 2023-10-13 Intensive practice for the HESI A2 exam updated with more new questions to reflect the latest version. Passing the HESI A2 exam is required for admission to many nursing schools, and scoring well is essential when you're applying to the top programs. This book offers the intensive practice you need to feel fully prepared and super confident on test day with practice tests that match the actual HESI A2 exam in content, format, and level of difficulty. Packed with four full-length sample tests, *McGraw-Hill 4 HESI A2 Practice Tests, Fourth Edition* provides complete coverage of all of the subjects within the eight core sections: Reading Comprehension, Vocabulary, Grammar, Mathematics, Biology, Chemistry, Anatomy and Physiology, and Physics, along with smart test-taking strategies and thorough explanations for every question. Updates to this edition that will help you tackle the exam include NEW questions that reflect the current balance of topics such as more ratios and conversions, NEW questions about biochemistry, parts of speech, and sentence structure. **New York**, 1991 *The COVID-19 Aftermath* Nima Rezaei, 2024-08-05 This book discusses different challenges imposed to the globe following the COVID-19 pandemic. Coronavirus disease 2019 (COVID-19) has affected human individual lives, communities, and the world. It has not only affected human's lives but also environmental and natural systems. To better appreciate the pandemic's influence, multidisciplinary and interdisciplinary approaches are needed. Also, lessons learned from facing the pandemic are reviewed to be used for combating the upcoming challenges in healthcare settings, mental and psychological health, education, natural resources, energy system, environment, balance, economic stability, social relations, etc. *Exploring More Signature Pedagogies* Nancy L. Chick, Aeron Haynie, Regan A. R. Gurung, 2023-07-03 What is distinctive about the ways specific disciplines are traditionally taught, and what kinds of learning do they promote? Do they inspire the habits of the discipline itself, or do they inadvertently contradict or ignore those disciplines? By analyzing assumptions about often unexamined teaching practices, their history, and relevance in contemporary learning contexts, this book offers teachers a fresh way to both think about their impact on students and explore more effective ways to engage students in authentic habits and practices. This companion volume to *Exploring Signature Pedagogies* covers disciplines not addressed in the earlier volume and further expands the scope of inquiry by interrogating the teaching methods in interdisciplinary fields and a number of professions, critically returning to Lee S. Shulman's origins of the concept of signature pedagogies. This volume also differs from the first by including authors from across the United States as well as Ireland and Australia. The first section examines the signature pedagogies in the humanities and fine arts fields of philosophy, foreign language instruction, communication, art, and design, and arts entrepreneurship. The second section describes signature

pedagogies in the social and natural sciences political science economics and chemistry Section three highlights the interdisciplinary fields of Ignatian pedagogy women s studies and disability studies and the book concludes with four chapters on professional pedagogies nursing occupational therapy social work and teacher education that illustrate how these pedagogies change as the social context changes as their knowledge base expands or as online delivery of instruction increases

If you ally obsession such a referred **Hesi Practice Test For Pediatrics** books that will allow you worth, get the unquestionably best seller from us currently from several preferred authors. If you desire to humorous books, lots of novels, tale, jokes, and more fictions collections are plus launched, from best seller to one of the most current released.
