

11. Which statement by the parents indicates a correct understanding of a proper nutritional protocol of a client with CF? - correct answers: -Darla's diet should consume more calories than an unaffected child.

-Darla should take vitamin A, D, E, and K supplementation along with her diet.

-Her diet should consist of 3 meals/day of high fat, high protein, and 2 to 3 snacks/day.

12. Which instruction indicates to the nurse educator that the parents need more instruction about the respiratory care of the child with CF complications? - correct answers: Placing Darla in a prone position when she is having a dyspneic episode.

13. What actions should the nurse educator take to address this? - correct answers: -Teach Darla to take a deep breath and then exhale while whispering the word "huff."

-Instruct the parents to perform chest physiotherapy (CPT) either 1 hour before meals or 2 hours after meals, if possible.

-Explain the importance of increasing fluid intake during acute exacerbations.

14. Which instruction should the nurse educator give Darla's parents concerning the use of pancreatic enzymes as an oral prescription? - correct answers: Open the capsules and mix the beads in a nonprotein food such as applesauce.

15. While discussing pancreatic enzymes, the nurse educator explains that the dosage of the pancreatic enzyme is adjusted according to stool formation, which indicates how well Darla is

absorbing nutrients. Which statement by the parent indicates a correct understanding of this information? - correct answers: "The stool should be soft and formed."

Case Study Jacob Haskins,2012 The Voice and Cystic Fibrosis Veronica Smitley,2016

Cystic fibrosis is a common autosomal recessive disease with severe effects on the respiratory digestive and endocrine systems Symptoms include chronic cough and wheezing frequent upper respiratory tract infections and reflux disease While most treatments for cystic fibrosis aim to mitigate the respiratory and gastrointestinal dysfunction the potential adverse effects on an individual s voice has not been researched in a systematic manner We hypothesized that individuals with cystic fibrosis may show physical signs of vocal fold damage as well as common dysphonic symptoms Given the impact voice disorders have an overall quality of life identification and management of cystic fibrosis related dysphonia could be of great importance for assessment and treatment of this chronic illness Four individuals participated a male and female with cystic fibrosis and male and female without cystic fibrosis Each participant underwent videostroboscopy for vocal fold observation Additionally aerodynamic vocal parameters were measured using the Visi Pitch™ Substantial structural changes were observed in the participants with cystic fibrosis Significant differences in aerodynamic measures were also found particularly in the area of vocal perturbation jitter and shimmer Participants with cystic fibrosis had markedly higher measures of jitter and shimmer The observed differences may be a direct result of the phonotrauma experienced during day to day treatments

and respiratory symptoms of the individual with cystic fibrosis **HESI A2 Study Guide** ,2016 *HESI A2 Study Guide*

Mometrix,2018-04-12 HESI A2 Practice Questions are the simplest way to prepare for the HESI A2 Practice is an essential
part of preparing for a test and improving a test taker s chance of success The best way to practice taking a test is by going
through lots of practice test questions If someone has never taken a practice test then they are unprepared for the types of
questions and answer choices that they will encounter on the official test There is a tremendous advantage to someone taking
the test that is already familiar with the questions and answer choices Another advantage of taking practice tests is that you
can assess your performance and see if you need to study and practice more or if you re already prepared enough to achieve
success on your test day If you do well on the practice test then you know you re prepared If you struggle on the practice test
then you know you may still have more work to do to get prepared Taking lots of practice tests helps ensure that you are not

surprised or disappointed on your test day Our HESI A2 Practice Questions give you the opportunity to test your knowledge on a set of questions You can know everything that is going to be covered on the test and it will not do you any good on test day if you have not had a chance to practice Repetition is a key to success and using practice test questions allows you to reinforce your strengths and improve your weaknesses Detailed answer explanations are also included for each question It may sound obvious but you have to know which questions you missed and more importantly why you missed them to be able to avoid making the same mistakes again when you take the real test That s why our HESI A2 Practice Questions include answer keys with detailed answer explanations These in depth answer explanations will allow you to better understand any questions that were difficult for you or that you needed more help to understand
