Hey God You Have A Plan Right:

Hey God, You Have a Plan, Right? Karen Jessing, 2014-11-18 Karen Jessing's plans for her life completely shattered when she realized she had married an abuser. In addition to being a victim of domestic violence she was twice paralyzed, went through a traumatic divorce, struggled raising two children, lost her dream job, and was diagnosed with lupus. Each situation continued to change the course of Karen's life. Of significance, however, are not the numerous life-altering events but how she responded to them. She decided to trust God. In hopeless situations she refused to be helpless. With faith she conquered insurmountable odds, and as you read her story you too can learn to turn your adversities into opportunities. Identify emotional blackmail. Recognize early signs and clues of abuse. Leave an abusive relationship safely. Take steps toward recovery. Confront and overcome your fears. Discover who you are. Find the courage to make a change. Dream new dreams.

This I Know For Sure Babbie Mason, 2013-09-03 Do you have a longing to know God more intimately? Do you desire a rock-solid faith to believe God for the challenges you are facing regardless of how you may feel? This powerful new book by award-winning Gospel singer, songwriter, and Bible teacher Babbie Mason challenges you to examine your personal relationship with God and make up your mind to believe God's Word regardless of your feelings or circumstances and take hold of some non-negotiable principles of the faith. Whether you are wrestling with questions or fears, facing a health or financial or other crisis, or struggling in your relationships, these principles will enable you to trust God with your doubts, cease your wavering, and drive a spiritual stake of faith in the ground. Drawing upon the powerful words of 2 Timothy 1:12, Babbie identifies five spiritual landmarks that point us to foundational promises in God's Word we can know beyond a shadow of a doubt.

Spiritual Obedience Volume 4 Ollie Fobbs, 2016-04-29 The Spirit of Direct obedience was a book that flared the creativity of hope within me to continue to write. There were six hundred pages of notes that were scheduled to go into that first book, so after several years I had to find something to do with all of those notes, and this is the outcome. Spiritual Obedience was a book that told me a lot about who I was and who I was to become. This writing is not a "this is going to change your life kind of thing," however, if properly applied.

and you dedicate your life to study and prayer then yes this will change your life Spiritual Obedience as said has very little to do with who we are as a people but it has everything to do with who God is The reason God sent his Son to die for us is that through the revealed Glory of who he actually is we then can find life in Christ and we then can find the key to the gate that will lead us to the path that will take us all to the Kingdom of God *The Good Thief* Robert Vall,2012-04-26 John R
