John McPhee Reader John McPhee, 2011-04-01 The John McPhee Reader first published in 1976 is comprised of selections from the author's first twelve books. In 1965 John McPhee published his first book *A Sense of Where You Are*; a decade later he had published eleven others. His fertility, his precision and grace as a stylist, his wit and uncanny brilliance in choosing subject matter, his crack storytelling skills have made him into one of our best writers, a journalist whom L. E. Sissman ranked with Liebling and Mencken, who Geoffrey Wolff said is bringing his work to levels that have no measurable limit, who has been called a master craftsman so many times that it is pointless to number them.
