Hit List Laurell K. Hamilton, 2011-06-07 Watch a video A serial killer is hunting the Pacific Northwest murdering victims in a gruesome and spectacular way The local police suspect monsters are involved and have called in Anita Blake and Edward U S Marshals who really know their monsters to catch the killer **Dostoyevsky's Stalker and Other Essays on**

Psychopathology and the Arts Michael Sperber, 2010-04-13 In Dostoyevsky's Stalker we discover how the arts may illuminate psychiatry and psychoanalysis as well as how these disciplines may elucidate works of literature art and cinema Examining a diversity of authors artists historical figures and psychopaths over the course of modern history this groundbreaking collection of essays proposes a paradigm shift in psychiatry based on the idea that some symptoms of mental illness may have constructive uses and may be used by the sufferer for mental and spiritual growth instead of going untreated or else being analyzed away *Gun Violence in American Society* Lisa A. Eargle, Ashraf Esmail, 2015-11-17

Gun Violence In American Society Crime Justice and Public Policy provides an in depth multidisciplinary investigation into one of society's major social public health and political concerns death injury and destruction from the use of firearms Contributors employ a variety of theoretical methodological and data analysis frameworks to address different gun violence issues They explore how gun violence is created and perpetuated in society as well as the various forms and social contexts in which it appears The impacts of gun violence on different social groups communities and social institutions are also delineated Moreover possible solutions to gun violence are presented **How to Stop School Rampage Killing** Eric

Madfis, 2020-04-29 This book tackles the important question of how we can understand and learn from the school rampage killings that have been prevented In the flood of recent accounts and analyses of deadly school rampage killings that plague society and inspire widespread public fear very little attention has been given to the incidents that almost were Building on Madfis previous book *The Risk of School Rampage Assessing and Preventing Threats of School Violence* 2014 this vital work addresses key gaps in school violence scholarship through the examination of averted school rampage incidents in the United States and advances existing knowledge through ground breaking insights from the latest research on mass murder violence prevention bystander intervention disciplinary policy and threat assessment in school contexts This empirical study utilizes in depth interviews conducted with school and police officials administrators counselors security guards police officers and teachers directly involved in averting potential school rampages to explore the processes by which threats are assessed and school rampage plots are thwarted Madfis finds that many common contemporary school violence prevention policies and practices are ineffective at preventing rampage attacks and may actually increase the likelihood of their occurrence Rather than uncritically adopting such problematic approaches Madfis argues that schools must model prevention practices upon what has proven successful in averting potentially deadly incidents *The Risk of School Rampage: Assessing and*
