*The Brutal Reality of Day Trading for Beginners* J.R. Calcaterra, Trading is absolutely the most difficult challenge that you will undertake in your life and will test your emotions, patience, and be more than you ever could be prepared for as a self-directed beginner trader. While trading is certainly easy once you know what to do, learning it and becoming successful at it can be long and brutally hard or slow and consistent; that part is up to you. The brutal truth is that there does not have to be failure to gain success if you have the right information from the very first day you start off learning this business. Unfortunately though, brand new investors and traders are given mostly the wrong information and taught to do things that in the real world of trading in live markets are not even realistic to do and can cause them to lose money right away. Some of the things you will read in *The Brutal Reality of Day Trading for Beginners* are harsh for sure, however, they are the truth in trading. *The Brutal Reality of Day Trading for Beginners* is designed to give the brand new self-directed beginner investor and trader a harsh reality check on trying to do this business and not having thought it through or having and working from a rule-based plan. The basic information they need to get going and start making money right away in the financial markets is within this short book. Everything that is in this book must be done by all brand new investors and traders. All successful market participants have had to do everything that is discussed in this book; there are zero shortcuts, and should you try to take one and not learn what *The Brutal Reality of Day Trading for Beginners* tells you, you will most assuredly lose some or all of your hard-earned capital. The information *The Brutal Reality of Day Trading for Beginners* will help you to cut down your learning curve and put you on the fast track to making real income from the live financial markets right away if you can grasp the basic principles right away. There is no timetable set in stone on how long it should take to learn to do this business the right way from the first day you don't need to be in any hurry because the market is always going to be there waiting to pay you.
