

# How to Write a Movie Review:

## The Five Parts of a Movie Review

### **Part #1 - Intro** (1 short paragraph)

**Catch the Reader's Attention** - If you liked the movie, then your "Intro" should make people want to see it; but if you didn't like it, the "Intro" should be something that shows why you didn't like it. This lays the foundation of your review.

**Intro Examples:**

**Comparison:** (Talladega Nights) is like (Days of Thunder) meets (Dodgeball). The adrenaline filled races are complemented by endless, over the top, sidesplitting antics. You'll bust a gut...and wanna go fast!

**Relation:** If you like movies that grab you by the throat and put you through the wringer then Vacancy is for you. It will keep you in suspense from start to finish. One of the smartest, yet scariest thriller movies in years.

**Scenario:** A couple checking into a desolate motel when their car breaks down is to horror films as "knock-knock" is to stand-up comics: it must have one amazing punch line to be any good. Vacancy is the equivalent of the "chicken crossing the road" - we've heard/seen it a million times.

### **Part #2 - Summary** (1 - 2 paragraphs)

**Recap briefly, but don't give away anything big.** You should give them the basic plot points, and tell them how the story builds, but don't give away key moments, especially not the ending! And keep it brief.
