National Education Goals Panel, 1995 *American Education* ,1981 **The Writing Report Card** Arthur N. Applebee, Judith A. Langer, Ina V. S. Mullis, 1986 Based on the National Assessment of Educational Progress NAEP 1984 assessment of the writing achievement of American school children this report presents national and demographic subgroup achievement results for students in grades four eight and eleven and discusses students attitudes toward writing and instruction The first chapter describes the tasks and evaluation criteria used in the study and highlights results of the study including the following 1 although many students appeared to know the basic elements of analytic writing such writing was difficult for students in all grades 2 while most students could express their points of view in persuasive writing many had difficulty providing evidence for those viewpoints 3 students had less difficulty with tasks requiring short responses based on personal experience 4 students found it moderately difficult to write well developed stories 5 home environment is related to writing achievement 6 students who indicated writing three or more reports and essays during a 6 week period had higher achievement levels than students who reported not writing during that time period 7 students positive attitudes toward writing deteriorate steadily across the grades 8 students reported that their teachers are more likely to mark mistakes than to show an interest in what they write or to make suggestions for the next paper and 9 content area writing increases between grades four and eight and decreases again in senior high school The next four chapters provide specific achievement data by grade level for informative persuasive and imaginative writing and for writing performance among various demographic subgroups The remaining three chapters focus on students responses to questions concerning writing and writing instruction specifically their values and attitudes toward writing how they manage the writing process and what

they write and the help they receive HTH

Clinical Guide to Effective Psychological Assessment and Report

Writing Rosemary Flanagan, 2024-09-17 The book examines the preparation and presentation of psychological data reports for various stakeholders e g teachers parents caregivers It details strategies for clear and effective prose and visuals that reach beyond the narrative and emphasize data integration Chapters are organized around specific themes contained in the overall report and its sections e g cognitive achievement social emotional personality as well as the process of data reporting its description and eventual communication to consumers The volume addresses the rationale for and considerations important to carrying out this mission including reporting and explaining data obtained from English language learners ELLs It provides examples of sample data sets detailing how to apply and illustrate these principles and reflect contemporary data interpretation In addition the book provides checklists as well as appendices and tables that should be considered when preparing reports The book discusses the processes and mechanics of integrating data within and across sections of reports thereby providing alternatives to strictly boilerplate reports as well as practical recommendations that can be readily implemented to benefit students Key areas of coverage include Preparing psychological reports for all stakeholders Data presentations for lay audiences Contemporary data reporting not driven by a boilerplate Illustrations of data integration and customized prose Generating intervention recommendations for students using descriptive data Tailoring the writing process to create defensible reports for school clinical and neuropsychological referrals This volume is an essential resource for researchers professors graduate students as well as clinicians therapists and other professionals in developmental clinical child and school psychology educational assessment testing and evaluation social work public health and all interrelated disciplines

The NAEP ... Technical Report ,1992 **Report Writing, Grades 1-2 (Meeting Writing Standards Series)** Sarah Krutchner Clark, 2000-08
