Many topics usually considered too controversial for print in a book such as this are dealt with in a straightforward, easy to understand manner. Some of the many subjects covered in this book are: Raising children in Satanism, Satanic marriage and sexual relationships, The nature of Satan and Demons, Holy Texts of Traditional Satanism, Al Jilwah commentary, Daily prayer, Solitary practice vs. joining a Coven. This book is a series of essays meant to educate those outside of Satanism about the true nature of the people who practice it, as well as to provide a source of inspiration and spiritual guidance to the Satanic community.

Live and Let Live Under One G-O-D Devidas (Dev) Tahiliani, 2016-03-15 *Live and Let Live Under One G O D* by Devidas Dev Tahiliani. Why have so many wars been fought in the name of Religion? How can we eradicate the extremists of all religions? The answer is to teach young people about Humanity and Spirituality. Universal Religion. The author has written this book to be adopted as a textbook in high schools all over the world. Our world today is dominated by religions that require blind faith and obedience. Humans will continue to abuse each other until we understand that we share a responsibility to ourselves and to each other. The power of our inner spirituality is called humanism. We can each follow our own path and share our faith with others without hatred, scorn, or violence, and accept other paths as equally valid to our own. It is good to have some kind of faith, but we must follow it with reason.
