The background of the cover features a complex, abstract design. It consists of numerous thin, overlapping lines in shades of blue, green, and brown, which create a sense of movement and depth. These lines are set against a dark, almost black, background. In the upper right portion, there is a faint, grid-like pattern that resembles a digital or network structure. The overall effect is one of a dynamic, interconnected system.

Neider,Chester A. Schriesheim,2010-06-01 Mirroring a parallel movement in psychology one recent trend in the study of organizations has been an increased focus on positive management and organizational behavior However while contributing to an enhanced understanding of organizational phenomena this focus tends to ignore negative aspects of workplace behavior which can have very serious consequences for individuals groups and organizations Given what many of us have seen over the past year in terms of the handling mis handling of downsizing restructuring and compensation it seems clear that the darker side of management is a topic of great concern Thus Volume 8 of Research in Management is devoted to exploring what has been called The Dark Side of management and organizational behavior It includes seven chapters that are written by leading experts on a diverse range of topics including abusive supervision attributions dysfunctional mentors destructive executives social exclusion public and private deviance instrumental counterproductive behavior and an examination of the difference between abusive and supportive leadership Each of these chapters makes a unique contribution to understanding negative workplace behavior and each should stimulate a future stream of research in the same or related domains Comments by the editors are also provided highlighting other areas where the study of dark side behavior and phenomena would seem particularly beneficial for the advancement of knowledge about organizations and their effective functioning Personnel Literature ,1982 *Managing Health Services Organizations* Jonathon S.
