Jamaica International Monetary Fund, 2006-05-01 This paper discusses key findings of the Financial System Stability Assessment on the Basel Core Principles for Effective Banking Supervision the Committee for Payment and Settlement Systems CPSS Core Principles for Systemically Important Payment Systems and IMF Monetary and Financial Policy Transparency Codes for Jamaica The assessment reveals that although the financial system currently appears well capitalized and supervision has been considerably strengthened in recent years financial institutions operate in a risky macroeconomic environment Structural priorities are to improve the insolvency and creditor rights regime and introduce a central securities depository for fixed income securities

Assessing Financing, Education, Management and Policy Context for Strategic Planning of Human Resources for Health Thomas J. Bossert, 2007-12-15 This book contains a method for assessing the financial

educational and management systems and policy context essential for strategic planning and policy development for human resources for health This tool has been developed as an evidence based comprehensive diagnostic aid to inform policy making in low and middle income countries in regards to human resources for health It does so in three stages by assessing the current status of the health workforce and capacities for health workforce policy implementation with a particular focus on four aspects finance education management and policy making by identifying priority requirements and actions based on the current status of the health workforce and by showing how to sequence policies and draw up a prioritized action plan for human resources for health This tool is designed as an initial diagnostic instrument to be used in a process of developing a national strategic plan on human resources for health It helps to provide a rapid initial assessment and a preliminary strategic plan as part of a longer term and sustained process of human resources planning It is not intended to assess the appropriateness of a workforce s skills mix or the technical quality of pre service curricula which are the subjects of several other assessment tools Rather it focuses on determining and providing sequenced recommendations to improve upon system capacities to increase the effectiveness of the health workforce

Southern African Development Community Business Law Handbook: Strategic Information and Developments IBP USA,2013-08 Southern African Development Community SADC Business Law Handbook Strategic Information and Basic Laws **Managing Human Resources in Latin America**

Marta Elvira,Anabella Davila,2007-05-07 Presenting a rigorous analysis of HRM trends and strategies in Latin America for academics and professionals this text provides a general overview highlights regional characteristics analyzes the challenges faced and explores key cultural issues of human resources in Latin America [A PRACTICAL GUIDE TO UNFAIR](#)

[DISMISSAL LAW IN BOTSWANA](#) Oagile Bethuel Key Dingake,2022-09-03 This book discusses the law related to unfair dismissal in Botswana It makes it clear that an employer is not free to dismiss an employee whenever they feel like doing it The law requires that an employee may only be dismissed for a valid reason and even then a fair procedure must be followed It follows from the above that a dismissal would be unfair if there is no valid reason or fair procedure or both The principle of fairness is unique to labour law and does not necessarily apply to other areas of the law such as the law of contract Misconduct is the most common reason for dismissal but there are also other grounds such as poor performance at work redundancy incompatibility and incapacity which attract their own requirements This book by a former leading judge of the Industrial Court of Botswana is easily the most authoritative on the subject to date in the context of Botswana It is a useful practical guide to employees employers trade unions employers organizations HR practitioners and law students
