Resource Management Stewart Johnstone,Jenny K. Rodriguez,Adrian Wilkinson,2023-02-14 Thoroughly revised and updated to include contemporary terms that have gained importance such as furlough unconscious bias platform work and Great Resignation this second edition of the Encyclopedia of Human Resource Management is an authoritative and comprehensive reference resource comprising almost 400 entries on core HR areas and concepts **Sustainable Human Resource**

Management Ina Ehnert,2009-07-07 Predictions are that sustainability becomes the next big topic for Human Resource Management after internationalization and globalization This book gives new answers to these questions How can HRM contribute to attracting developing and retaining highly qualified human resources over time How can a paradox perspective contribute to understanding and coping with paradoxical tensions How can sustainability be used as a deliberate strategy for HRM The conceptual part of the book looks at the notion of sustainability opens it up for Strategic HRM and identifies blind spots in Strategic HRM theory Paradox theory is introduced as an analytical framework for Sustainable HRM Initial suggestions are made for sustainability strategies and for coping with paradoxes and tensions The exploratory part examines how 50 European Multinationals communicate their understanding of sustainability and HRM and which HR issues and practices they are linking to the topic **GENDER ISSUES** AMITA SAXENA,2019-08-21 Gender inequality and

discrimination not only in India all over world is a multifaceted issue that has been related to both men and women Some people think gender equality indices place men at a disadvantage when India s population is surveyed women are found to be at disadvantage in several ways These trends are disturbing as a natural prediction would be that with growth comes education and prosperity the dowry system involving a cash or in kind payment from the bride s family to the grooms at the time of marriage is another institution that disempowered women It reinforces the inferior status of Indian women and puts them at risk of violence in their marital households The normalization of intra household violence is a huge detriment to the welfare of women Crimes against women have doubled Gender inequality extends across various facets of society Political

participation is a key factor to rectify this situation Gender bias extends to electoral politics and their representative also The book deals with Population Stabilizing Measure Juvenile Delinquency Gender Based Violence Women Fish Retailers Gender Inequality Geriatric Issues in Women and their Management in India Women s Attitude And The Environment The Journey of Indian Women across ages Gender Discrimination in the Workplace Violence Against Women dowry system Women s Role in Developing Technology Increasing Productivity Improving Lives Gender Budgeting Trafficking of women for Sexual Exploitation and Women In Politics

Ndofirepi, Felix Maringe, Simon Vurayai, Gloria Erima, 2022-10-14 This book explores the influence of neoliberal globalisation on African higher education considering the impact of the politics of neoliberal ideology on the nature and sources of knowledge in African universities Written by African scholars the book engages with debates around the commodification of knowledge socially just knowledge knowledge transformation collaboration and partnerships and indigenous knowledge systems It challenges the neoliberal approach to knowledge production and dissemination in African universities and contributes to debates around decolonising knowledge production in Africa The chapters draw on experiences from universities in different sub Saharan countries to show how the manifestation of neo colonialism through the pursuit of the hegemonic neoliberal philosophy is impacting on decolonising university knowledge in Africa Providing a unique critique of the impact of neoliberal higher education in Africa the book will be essential reading for researchers scholars and postgraduate students in the field of Sociology of Education decolonising education Inclusive Education and Education Policy

Religion and Gender-Based Violence Brenda Bartelink, Chia Longman, Tamsin Bradley, 2022-09-15 This book takes religion as an entry point for a deeper exploration into why practices of gender based violence continue and what possible actions might help to contribute to their eradication International donors are committed to reducing and ending gender related harm particularly violence against women but clear answers as to why harmful practices persist are often slow to emerge Theological research struggles to find strong links yet religion is often referred to by local people as the reason for practices such as female cutting male circumcision early and forced marriage nutritional taboos and birth practices mandatory un veiling harmful spiritual practices polygamy gender unequal marital and inheritance rights and so called honour crimes This book presents empirical cases of religious non religious and secular actors including local and international governmental and non governmental agencies in the fields of development health and equality policies Tracing their different understandings of how religion is entangled with gender based violence both contextually as well as historically the book sheds light on helpful and unhelpful as well as erroneous and harmful understandings of such practices in local and global perspectives Centralising the perspectives of women themselves this book will be an important read for development practitioners and policy makers as well as for researchers across religious studies gender studies and global development

Gender-Based Violence and Layered Disasters Nahid Rezwana, Rachel Pain, 2022-12-30 This book investigates the widespread and persistent

relationship between disasters and gender based violence drawing on new research with victim survivors to show how the two forms of harm constitute layered disasters in particular places intensifying and reproducing one another The evidence is now overwhelming that disasters and gender based violence are closely connected not just in moments of crisis but in the years that follow as the social economic and environmental impacts of disasters play out This book addresses two key gaps in research First it examines what causes the relationship between disasters and gender based violence to be so widespread and so enduring Second it highlights victim survivors own accounts of gender based violence and disasters It does so by presenting findings from original research on cyclones and flooding in Bangladesh and the UK and a review of global evidence on the Covid 19 pandemic Drawing on feminist theories it conceptualises the coincidence of gender based violence disasters and other aggravating factors in particular places as layered disasters Taking an intersectional approach that emphasises the connections between culture place patriarchy racism poverty settler colonialism environmental degradation and climate change the authors show the significance of gender based violence in creating vulnerability to future disasters Forefronting victim survivors experiences and understandings the book explores the important role of trauma and how those affected go about the process of survival and recovery Understanding disasters as layered casts light on why tackling gender based violence must be a key priority in disaster planning management and recovery The book concludes by exploring critiques of existing formal responses which often ignore or underplay gender based violence The book will be of interest to all those interested in understanding the causes and impacts of disasters as well as scholars and researchers of gender and gender based violence
