Salzman, 2014-07-31 Literature and Politics in the 1620s argues that literature during this decade was inextricably linked to politics whether oppositional or authoritarian A wide range of texts are analyzed from Shakespeare's First Folio to Middleton's A Game At Chess from romances and poetry to sermons tracts and newsbooks **A Key to American Literature**, 1965 Sharpe's London Journal of Entertainment and Instruction for General Reading, 1849 **Sharpe's London Journal**, 1849 **Sharpe's London Magazine** Anna Maria Fielding Hall ("Mrs. S. Meakin, 2017-07-05 Lady Anne Bacon Drury 1572-1624 was the granddaughter and niece of two of England's Lord Keepers of the Great Seal Sir Nicholas Bacon and Sir Francis Bacon Lady Anne was also the friend and patroness of John Donne and Joseph Hall however she deserves to be remembered in her own right Within her massive country house Lady Anne created a tiny painted room that she seems to have used as a kind of three dimensional book The walls consisted of panels of pictures and mottoes grouped under Latin sentences These panels can still be viewed in a Suffolk museum Christchurch Mansion in Ipswich Some panels point to classical and Biblical sources and to popular emblem books The sources of other panels are more recondite

while still others are original compositions by Lady Anne The panels exhibit a contemptus mundi theme and reflect a struggle with ambition pride and even despair Some panels also appear to register carefully veiled but pointed critiques of political and religious events and figures Lady Anne s painted closet or architext is thus relevant to a wide range of early modern scholarship in various disciplines but is as yet largely unappreciated For the first time in four hundred years this book fully describes the closet and places it in its personal social intellectual and aesthetic contexts It argues for the painted closet s importance for understanding early modern conceptualizations of private and public spaces and for illuminating fundamental early modern habits of seeing and reading especially combinations of text and image Finally this book explores the closet as an example of the ingenious ways in which female subjectivity found ways to express itself even within the constraints of early modern patriarchal society in England     *Renascence* ,1962     **Sharpe's London Magazine** ,     Bulletin of Bibliography & Magazine Notes ,1970     **Bulletin of Bibliography** ,1970
