Id Rather Be Laughing English Edition:

I'd Much Rather Laugh! Preferisco Ridere! Vincent Licitra, 2013-02-28 Do not read this book if you are weak scared or otherwise indifferent to the world around you Put this book down if you could care less about America and Americans or if you tire easily are distracted quickly and would rather be superficially entertained while consuming a large bucket of popcorn Stay away if you are content with your lot in life or do not believe in the power of love or the ability of the underdog to overcome hatred and evil intent on pressing down on the lives of your fellow man Dont pick this book up because it can impact your world in ways you may not be prepared to experience This is a story of my life as I ve lived it and as I ve come to see all things including struggle envy scorn individualism prejudice and politics The future must be confronted for it is always but one second removed from the present Prepare to face your destiny and live a little If you are still in possession of this written material let me thank you for being at least willing to think outside the box for examining the possibility of being willing to live outside the box and perhaps for participating in a movement to utterly destroy the box we ve all been placed in which in its current set up permits not the realization of American democracy God Speed The Train Dispatcher ,1927
