## Identification By E W Kenyon:

Identification E. W. Kenyon, 2025-07-15 What does Identification mean It means our complete union with Jesus in His substitutionary sacrifice The teaching of Identification is the legal side of redemption It unveils to us what God did for us in Christ from the time He went to the cross until He sat down at the right hand of the Father Christ became one with us in sin so that we might become one with Him in righteousness He became as we were so that we might be as He is now In identification we have one of the richest phases of redemption There is a twofold oneness first His oneness with our sin and humanity on the cross second our oneness with Him in His glory on the throne These teachings unveil who we are in Christ and how the Father sees us in the Son The vital aspect of redemption is what the Holy Spirit through the Word is doing in us now When these truths really gain the ascendancy in our lives they will make us spiritual supermen It will be the end of our spiritual weakness and failure We will no longer struggle for faith for all things are already ours We will no longer pray for power for Christ is in us We will no longer feel the awful bondage of sin consciousness for we are the righteousness of God in Christ

**Identification** E. W. Kenyon, 1941-03-01 An unveiling of the substitutionary sacrifice showing what we are in Jesus Christ and how the Father sees us

**Thinking in the Spirit** Douglas Jacobsen, 2003-11-20 This book is about the boisterous beginnings of the American Pentecostal movement and the ideas that defined that movement during those formative years It follows a group of men who rethought the Christian faith in light of their new experience of God Thinking in the Spirit aims to provide scholars and general readers who know little or nothing about Pentecostalism with an introduction to the ideas of the movement's most articulate early spokespersons and to provide Pentecostals with a non judgmental historical source to help them in their theological reflections Douglas Jacobsen focuses on the individuals who formed the original brain trust of this now gigantic religious movement In a 25 year burst of creative energy at the beginning of the 20th century these leaders articulated almost all the basic theological ideas that continue to define the Pentecostal message in the United States and around the world

*E.W. Kenyon and His Message of Faith* Joe McIntyre, 1997 The 'Spiritual Death' of Jesus William Atkinson, 2009-03-16 The teaching of Kenyon Hagin and Copeland that Jesus died spiritually JDS is important because of the influence of these men not least on Pentecostalism This title states that adoption of JDS by Pentecostalism would be damaging in several respects and thus draw the latter away from its moorings in traditional Christianity

The Blueprint of God Don W. Long, 2020-02-04 Learn to live the life the Father designed for you and change the world for the better with this Christian inspiration guide The Blueprint of God takes readers on a journey of personal faith toward a lifetime partnership with the Father Those who accept the journey will discover their true identity in God manifest their dreams and create a better future for themselves and the people around them Ultimately they will help bring about a brighter future for the world In our true identities as sons and daughters of God we have been given the mandate to take dominion be fruitful and multiply But it's easy to lose track of the systems of thought that allow us to fulfill this charge when

so much other noise is crowding the airwaves The Blueprint of God helps Christians reconnect to the destinies dreams and desires that are hidden inside of them *Atonement Theories* Ben Pugh,2015-02-26 With the subject of the atonement of Christ attracting such a lot of polemical work at this time it is easy to conclude that the current debate is generating more heat than light *Atonement Theories* presents the beginning student pastor or researcher with an accessible and fair treatment of every school of thought on this subject *Atonement Theories* significantly updates previous histories of the doctrine providing analysis of some fascinating and highly significant recent developments It also intriguingly highlights at various points where aspects of this central message of Christianity might find a connection within contemporary culture It aims to empower the reader to quickly gain a working knowledge of current debates and the history behind them

SPIRITUAL WARFARE: A Struggle for Truth Russell Sharrock,2007-03-01 Much in the Church is being touted as biblical spiritual warfare even to changing it from being spiritual to be geographical This book critic's spiritual warfare teaching comparing it to the Bible and offers a biblically reasoned discussion on spiritual warfare **Word of Faith** Steven Lyn Evans,2019-08-28 I want to highly recommend Dr Steven Lyn Evans book *Word of Faith Exposing the Critics Mythology* Dr Douglas J Wingate President and Founder of Life Christian University Florida USA Bishop Steven Evans is clearly the person to write this defense of the Word of Faith I wholeheartedly endorse this book Bishop Tom Brown *Word of Life Cathedral* Texas USA Factual brilliant timely a masterpiece and must have for every believer Next to the Holy Bible don't read any other book this year Revd Melvin Banks International Evangelist England U K The critics of the Word of Faith movement have invented a mythology Within this book their position is shown to be both historically and theologically deficient Often the critics advocate for the heresy of cessationism They have peddled their mythology and divided the church It's time for truth Benefits of this book for you An insightful defense of the Word of Faith movement Exposes the critics mythology Exposes the heresy of cessationism Exposes the limitations of western theology Theological and historical truth about the Word of Faith Answer the critics Walk in the miraculous power of God Positive Bible believing faith inspiring *Righteous Riches* Milmon F. Harrison,2005-03-03 Does God want us to be wealthy Many people believe that God offers not only eternal joy in the hereafter but also material blessings in the here and now Other Christians see this prosperity theology as nothing more than vulgar materialism incompatible with orthodox Christianity In *Righteous Riches* Milmon F Harrison examines the Word of Faith movement an independent non denominational Christian movement that preaches the so called health and wealth gospel The Word of Faith movement is an international network loosely bound by a basic doctrine called the Faith Message which teaches that it is God's will for Christians to be prosperous successful and healthy in the present life Drawing on his personal experiences as a former insider and in depth interviews with members Harrison takes us inside the movement revealing what it is like to belong and how people accept reject and reshape Word of Faith doctrines to fit their own lives Although the movement is not exclusively African American many of its most prominent and recognized leaders are

African American ministers with large congregations and national television audiences Analyzing the movement's appeal to African Americans Harrison argues that because of their history of oppression and discrimination African American religious institutions have always had to address the material as well as spiritual concerns of their members The Word of Faith Movement he says is one of several prosperity movements that resonate strongly with African Americans Situating the movement in the contexts of both contemporary American religion and the history of the Black Church Righteous Riches offers a fascinating look at a quintessentially American phenomenon

**The Bible in the Light of Our Redemption** E. W. Kenyon, 2025-07-15 Written by beloved Bible teacher E W Kenyon this challenging study course covers the entire Bible from Genesis to Revelation highlighting the long view of God's unfolding plan of redemption Appropriate for groups or individuals both the new believer and the mature Christian it lays out the legal claim for who and what we are in Christ Among the topics covered in regard to redemption are man's creation and fall the Abrahamic Covenant the Law and the Tabernacle the Incarnation the name of Jesus the Holy Spirit the Second Coming of Christ and Kenyon's classic discussion on the two kinds of knowledge This course will build your faith and challenge you to a deeper walk with our Redeemer

**Pentecostalism: A Guide for the Perplexed** Wolfgang Vondey, 2012-12-18 Pentecostalism is the fastest growing religious movement of our time The unexpected birth of the modern day Pentecostal movement at the doorsteps of the twentieth century is as perplexing as its continuing existence and unprecedented expansion worldwide Once marginalized from public discourse Pentecostals have entered into mainstream culture religion politics academia and social action However the unprecedented growth of Pentecostalism in all its diversity has led to characterizations ripe with platitudes stereotypes and misrepresentations This Guide for the Perplexed sheds light on the most persistent contrasts characterizing the Pentecostal movement the tension between local manifestations and global Pentecostalism the inconsistency between spiritual discernment and charismatic excess the gap between rampant denominationalism and the pursuit of Christian unity the disparity between poverty among many Pentecostals and the popularity of the prosperity gospel the division between Oneness Pentecostals and their trinitarian counterparts and the worldview of Pentecostals beyond the confines of a religious movement Those tensions form the essence of global Pentecostalism and represent the emergence of a global Christian world

*A Different Gospel* Dan R McConnell, 2011-12-22 The name it claim it theology of the Word Faith Movement is presented as biblical but is it In this compelling book McConnell documents the historical link between faith theology and New Thought metaphysics He then analyzes faith theology's doctrines of healing and prosperity as well as its understanding of the atonement of Christ to show how they deviate from biblical teaching This updated edition features a foreword by Hank Hanegraaff and an afterword by McConnell Softcover from Hendrickson

**Catalog of Copyright Entries, Third Series** Library of Congress. Copyright Office, 1948

*Who wants to be a Millionaire?* Emanuel Anim, 2020-01-01 Prosperity Teaching is fast becoming a standard part of contemporary African Christianity This teaching is best understood in the

Charismatic and Pentecostal churches in Africa The varied expressions and nuances call for a critical analysis of the phenomenon Prosperity Teaching affirms wealth divine healing good health and long life as manifestations of God s blessing Conspicuous consumption is often seen as a sign of a successful life and suffering has no place in the divine order of God s sovereignty This book Who Wants to be a Millionaire seeks to bring some understanding to this teaching and shows the extent of its impact in the wider society *E.W. Kenyon and the Postbellum Pursuit of Peace, Power, and Plenty* Dale H. Simmons,1997 Essek William Kenyon 1867 1948 has virtually escaped scholarly notice and yet his influence on the twentieth century church is profound Of particular note is Kenyon s influence on William Durham that apparently led to the first major split in Pentecostalism Kenyon s own evangelistic work was thoroughly interdenominational touching every major Protestant denomination of his day E W Kenyon and the Postbellum Pursuit of Peace Power and Plenty is the most comprehensive biography of Kenyon available today It explores his influence on the Pentecostal Charismatic movements and likewise illuminates the practice of intuition and mysticism from which the 20th century message of peace power and plenty emerged Contains nine black and white photographs bibliography and index *The Archaeology of Jordan and Beyond* Lawrence E. Stager,Joseph A. Greene,Michael D. Coogan,2018-07-17 James A Sauer was for many years the Director of the American Center of Oriental Research in Amman Jordan leading it to the preeminent place it now occupies as a research institution dedicated to the archaeology and history of Transjordan This volume honors him with more than 50 contributions from colleagues and friends With this volume the Harvard Semitic Museum inaugurates a new series entitled Studies in the Archaeology and History of the Levant [COVENANT THEOLOGY: A Critical Analysis Of Current Pentecostal Covenant Theology](#) , **Happy Lies** Melissa Dougherty,2025-01-28 In this groundbreaking book popular apologist Melissa Dougherty helps us understand how our society got to be so toxically subjective why endless positivity is inherently destructive and how we can live with faithful truth and genuine love in these self obsessed times Melissa Dougherty skillfully diagnoses the issue and provides the cure the authentic and life giving truth of the Christian worldview Wesley Huff Have you ever wondered how we ended up in a world where personal feelings could become the authority for reality Or why so many of us are on a relentless pursuit for happiness yet somehow feel more exhausted and sadder than ever You re not alone Melissa deftly traces the roots of today s social chaos back to a little known but very influential 1800s philosophy known as New Thought A former follower of its teachings Melissa provides clarity and compassion mixed with a dash of loving snark as she exposes New Thought s deceptions and its many concerning tendrils within the church and our self help culture You ll be shocked grieved and encouraged as you learn How you can experience true freedom hope and peace instead of the world s counterfeits How an anti God ideology so easily hijacked Christian sounding ideas Why thinking positively is entirely different from the unbiblical and burdensome positive thought movement Why fake authenticity short circuits real redemption How understanding the New Thought mindset can help us share our faith more effectively Uncover a dangerous ideology that

nearly everyone has met yet few of us can name in order to better understand our culture and joyfully live faithful to the gospel that is so much better than our world's Happy Lies      Secret Scrolls Robert M. Price, 2010-12-27 Secret Scrolls is the very first examination of some forty novels in which someone discovers a new gospel. Sometimes it turns out to be a hoax, will it be debunked before it can work its mischief? If it proves genuine, will it be brought to light? Or will corrupt church officials manage to prevent it? The book evaluates what each author has to say about historical Jesus scholarship or New Testament research in general. Sometimes the authors have done their homework; other times they haven't bothered, and they wind up dishing up crazy rewrites of history and outlandish theories. These novels deal with abiding issues of faith even without some new discovery. As soon as one engages in biblical apologetics, one has stepped onto the marshy ground of probabilistic arguments, an entirely different epistemology that automatically replaces simple faith. And so one comes to hold one's religious convictions more tentatively, having become genuinely vulnerable to new evidence. One may not remain a believer for long. On the other hand, one invites fanaticism if one's faith is dangerously predicated on the assurance that no new discovery will send one back to the drawing board. Secret Scrolls assesses what each author imagines it would take to derail and debunk Christianity. How mighty a blow must be dealt before the religion would fall? Dan Brown's notion that a married Jesus would debunk the Nicene Creed is laughable. As Wilbert Francis Howard once argued in his brief and fascinating history of New Testament research, there is a genuine romance of New Testament scholarship, and many of us are delighted to have the adventure continue in the speculative imaginations of capable novelists. These books can both entertain and educate, and so will Secret Scrolls.
