 presents the facts dispels the myths and shows you how to be green without having to compromise yourself and your home  
 The first book of its kind this is a book just about the ins and outs of laundry Carin began to research a greener way of life  
 not for profit or for business gain but to incorporate it with her most prized job being a mother grandmother and wife She  
 explores the meaning of green the fads and the facts so that anyone can easily make their own decisions about what to do  
 This book is filled with tips and stories that will give you and your family a new perspective on that never ending chore called  
 laundry Her biggest fear is that traditional washing and drying will become obsolete replaced by overpriced appliances and  
 thoughtless damaging laundry products She has added laundry to the American Experience with an alcove of rich stories  
 about generations of laundry and love that she has collected on her journey to reconnect with Mother Nature Love laundry or  
 hate laundry this collection of short stories will present you with endless reasons to make laundry a part of your life and how
