*The Strange Sad War Revolving* Luke Mancuso, 1997 Analysis of Whitman's reflection of civil rights legislation in his work 1865-1876 Walt Whitman's prolific Reconstruction project has remained the most uncultivated decade in Whitman studies for over a century This first book length analysis seeks to point the way for a needed recovery of Whitman's 1865-1876 publications by embedding them in the legislative discourse of black emancipation and its stormy aftermath The supposed absence of race relations in Whitman's post war texts has recently become a source of curiosity and denunciation However from 1865 to 1876 the Congressional workshop was seeking to forge interracial civil rights legislation through surveillance of the implementation of such egalitarianism as manifested in the Civil War Amendments the Enforcement Acts of 1870-71 and the Civil Rights Act of 1875 The analysis of the hegemonic shift in Whitman's implementation of his democratic poetics constitutes the innovative contribution in these pages By welcoming ex slaves into the Union as well as ex Rebel states Whitman's Reconstruction texts enlisted his representations in the federalizing rhetoric of civil rights protection that would lapse for almost a century before recovery in the Second Reconstruction of the 1950s and 1960s
