diversify the economy pushing the government to open up the country to greater private and foreign investment in order to provide alternatives to state spending in part through measures to render the rigid investment environment more attractive

Emerging-market Multinational Enterprises in East Central Europe Ágnes Szunomár, 2020-11-23 The rise of multinational enterprises MNEs from emerging markets is topical important and poses a number of questions and challenges that require considerable attention in the future from academia as well as business management The recent takeovers of high profile companies in developed or developing countries by non European emerging market MNEs EMNEs such as Lenovo Wanhua China Hindalco India CVRD Brazil Cemex Mexico Lukoil Russia etc as well as the greenfield or brownfield investments of emerging companies such as Huawei ZTE Tata Pepco etc show a new trend where new kind of firms become major players globally EMNEs have become important players in several regions around the globe ranging from the least developed countries of Africa through the developing markets in Latin America and Asia to the developed countries of the United States or the European Union including East Central European ECE countries EMNEs presence on the global level has resulted in numerous studies in the international literature but those research results barely cover EMNEs activities in the ECE region in the East Central European EU member countries including the Czech Republic Hungary Poland Slovakia and Slovenia The existing books typically focus on the investment activity of a single country or region such as China or East Asia but a comprehensive analysis is still missing in this regard The novelty of this edited volume is that it aims at exploring EMNEs location determinants strategies activities and challenges in East Central Europe by discussing its anomalies to the traditional theories as well as to other types of MNEs in the ECE region The authors focus on EMNEs not only from China but from other important emerging countries too such as Russia India South Korea Taiwan Turkey Brazil or South Africa

*Reinforcing Patriarchy* Chetna Bhatia, The life of a common Indian woman is full of struggles dilemmas pressures and conflicts Family s pressure to plan kids explanations for opting night shift jobs scolding about going alone to eating places and movies reservation of seats in public transport reaching out to diet and cosmetic industries to attain size zero and ultra fair faces to get her boyfriend s attention back Where does 21st century Indian society stand on such issues Also what role does mass media especially advertising plays in influencing public mindset about women This work acknowledged the need of examining it with reference to a wider context of the hard core issues faced by women in their bedrooms kitchens offices streets and living rooms Therefore a sincere effort was put in reaching out to the people and mapping their minds through a set of questions hidden form about the control over a woman s body the concept of her beauty aspects of her occupation and mobility her role in decision making and in division of labor in the households The book goes one step ahead of the typical impact studies or analysis of stereotypes in advertisements For those interested in women studies the book contains facts about women s movement in India till 2016 and a complete list of issues affecting a woman from her bedroom to her

workplace Those interested in advertising and cultural studies can find a full length discussion on basic aspects of advertising as a format and as an institution For the scholars of media studies or sociology the work contains self constructed Likert scales and codes Further the research has attempted to directly compare the advertisements and society on common parameters The study draws its basic concepts and critical perspective from the works of Richard W Polay John Fiske John Hartley Daniel Schandler Lewis Hedwig Kamla Bhasin Nivedita Menon Naomi Wolf Radha Kumar Foucault Erving Goffman and Laura Mulvey The issue has been examined thoroughly in the light of contemporary events and factors which make it more relevant to the present stage of globalized Indian society

**Globalisation and Korean Foreign Investment** John A. Turner, 2017-11-30 Addressing a previously ignored area this text analyses two converging factors globalisation and Korean foreign direct investment policy It looks at the emergence of the Korean government's globalisation objectives and at the response of the chaebol the business groups that brought about their country's rapid industrialisation The chapters reveal a complex story with political as well as economic dimensions They also note the impact of the 1997 crisis and the growing importance of inward investment The book therefore covers developments in Korean economic policy from the Chun Roh regime to the Kim Dae Joong era
