International Dictionary of Library Histories David H. Stam, 2001-11-01 Following the format of Fitzroy Dearborn's highly successful *International Dictionary of Historic Places* and *International Dictionary of University Histories* the *International Dictionary of Library Histories* provides basic information for each institution location and holdings followed by an extensive 1 000 5 000 word essay on its history as well as a Further Reading list In addition the dictionary includes introductory articles on the history of various types of libraries and a library history in various regions of the world The dictionary profiles more than 200 institutions from around the world including the world's most important research libraries and other libraries with globally or regionally notable collections innovative traditions and significant and interesting histories The essays take advantage of the growing scholarship of library history to provide insightful overviews of each institution including not only the traditional values of these libraries but their innovations as well such as developments in automated systems and electronic delivery The profiles will emphasize the unique materials of research in these institutions archives manuscripts personal and institutional papers The introductory articles on types of libraries include topics ranging from theological libraries to prison libraries from the ancient to the digital An international team of more than 200 leading scholars in the field have contributed essays to the project

Information Seeking Behaviour of Users in Punjabi Literature Dr. Gurmeet Singh, 2021-09-11 Our society's literate population who are into research and teaching are dependent on libraries for accessing information and information sources Thus the significance and need of library and information services are widely realized and recognized Library users always appreciate if the relevant and accurate information is quickly and timely made available to them Students research scholars and faculty members are mostly dependent upon the library for information resources and services to fulfill their information needs and to keep themselves up to date Libraries are acquiring relevant material to meet the requirements of the changing demands of the users The procurement of information resources by the library and its proper organization helps in information dissemination expeditiously and ensures its optimum use by the users Users' interests are of prime importance in the library sector It has a direct bearing on information seeking behaviour which differs from individual to individual and from discipline to discipline This book will be of great interest to research scholars faculty members students of Punjabi Literature It will help the librarians to organize their collection accordingly This book is based on the study conducted by the research in perspective of six universities i.e. University of Delhi Delhi University of Jammu Jammu Kurukshetra University Kurukshetra Panjab University Chandigarh Punjabi University Patiala Guru Nanak Dev University Amritsar

The Jail Notebook and Other Writings Bhagat Singh, Bhupendra Hooja, 2007 Bhagat Singh spent the last two years of his life in jail awaiting execution During this time he and his comrades fought one of the most celebrated Court Battles in the annals of national liberation struggles and used the court as a vehicle for the propagation of their revolutionary message They also struggled against the inhuman conditions in the Colonial jail and faced torture and

pain Their heroism made them icons and figures of Inspiration for generations to come All this is well known What is not so well known is that Bhagat Singh wrote four Books in jail Although they were smuggled out they were destroyed and are lost forever What survived was a Notebook that the Young martyr kept in jail full of notes and jottings from what he was reading In the year of his Birth centenary LeftWord is proud to present his Notebook in an elegant edition This Edition has been checked against the copy preserved in the National Archives of India The Notebook is richly annotated by Bhupender Hooja and the annotations have been revised and updated for this edition Also included are the most important Texts that Bhagat Singh wrote in jail Chaman Lal s lucid introduction the New York Daily Worker s reports and Periyar s editorial on the hanging Provided by publisher Catalogue of the Books and Maps in the Library of the Asiatic Society of Bengal Asiatic Society of Bengal. Oriental Library,1856 Catalogue of the Library of the Peabody Museum of Archaeology and Ethnology Peabody Museum of Archaeology and Ethnology. Library,1963 **The Social Space of Language** Farina Mir,2010-07-04 This rich cultural history set in Punjab examines a little studied body of popular literature to illustrate both the durability of a vernacular literary tradition and the limits of colonial dominance in British India Farina Mir asks how qisse a vibrant genre of epics and romances flourished in colonial Punjab despite British efforts to marginalize the Punjabi language She explores topics including Punjabi linguistic practices print and performance and the symbolic content of qisse She finds that although the British denied Punjabi language and literature almost all forms of state patronage the resilience of this popular genre came from its old but dynamic corpus of stories their representations of place and the moral sensibility that suffused them Her multidisciplinary study reframes inquiry into cultural formations in late colonial north India away from a focus on religious communal identities and nationalist politics and toward a widespread ecumenical and place centered poetics of belonging in the region *Writing Revolution in South Asia* Kama Maclean,J. Daniel Elam,Christopher Moffat,2018-10-11 This comprehensive volume examines the relationship between revolutionary politics and the act of writing in modern South Asia Its pages feature a diverse cast of characters rebel poets and anxious legislators party theoreticians and industrious archivists nostalgic novelists enterprising journalists and more The authors interrogate the multiple forms and effects of revolutionary storytelling in politics and public life questioning the easy distinction between words and deeds and considering the distinct consequences of writing itself While acknowledging that the promise fervour or threat of revolution is never reducible to the written word this collection explores how manifestos lyrics legal documents hagiographies and other constellations of words and sentences articulate contest and enact revolutionary political practice in both colonial and post colonial South Asia Emphasising the potential of writing to incite contain or reorient the present this volume promises to provoke new conversations at the intersection of historiography politics and literature in South Asia urging scholars and activists to interrogate their own storytelling practices and the relationship of the contemporary moment to violent and contested pasts This book was originally published as a special issue of South Asia Journal of South Asian Studies *Library*

Dubnov,Laura Robson,2019-01-29 Partition the physical division of territory along ethno religious lines into separate nation states is often presented as a successful political solution to ethnic conflict In the twentieth century at least three new political entities the Irish Free State the Dominions later Republics of India and Pakistan and the State of Israel emerged as results of partition This volume offers the first collective history of the concept of partition tracing its emergence in the aftermath of the First World War and locating its genealogy in the politics of

twentieth century empire and decolonization Making use of the transnational framework of the British Empire which presided over the three major partitions of the twentieth century contributors draw out concrete connections among the cases of Ireland Pakistan and Israel the mutual influences shared personnel economic justifications and material interests that propelled the idea of partition forward and resulted in the violent creation of new post colonial political spaces In so doing the volume seeks to move beyond the nationalist frameworks that served in the first instance to promote partition as a natural phenomenon
