

A Reflection of the Life Changing Experience in My Life

Life passes down great experiences to all of us. Sometimes these experiences go much more than just a memory, they go into teachings. By living through these experiences, we gain a great amount of wisdom. Fortunately I was blessed with the experience to see my favorite artist "Justice" with my brother and his friends. This is what opened my eyes and my mind to the realities of life.

The day finally came. My brother picks me up at 2PM, we then drove all the way up to Highlands Ranch to pick up my brother's friends and then back to his house in Denver. As we make it into the parking lot of Red Rocks Amphitheater, I get the feeling in my gut that this is going to be the greatest night of my life. We enter the stadium, to witness clouds of smoke hovering over the sunset. "Is this all a huge dream? Or is this just the greatest thing I've ever seen in life?" The opening headliner walks out onto the stage; he shouts to the crowd, "Are you ready to rage?" This phrase sends shivers down to my knees. The bass from his set vibrated off the angelically glowing Red Rocks, as my body melts into the dance pit. Each single wave of bass knocks me back; it feels like a constant uphill battle with the music. Soon enough, the fastest hour and thirty minutes of my life eviscerates into the night sky.

The monolithic cross is then carried out of the shadows, and displayed as a luminescent sign from heaven. Justice blasts open from the backstage, as they open with one of their signature songs. The dance party is now at full swing; the atmosphere is clouded with laughter and smiles. Never a moment in my life, have I ever thought something could

Prison - the Key to Stay Free L. Nelson McAlexander, 2011-12-05 Chris was there and witnessed my transformation into a much more dynamic person than I had ever been in my entire life After experiencing this transformation seeing me in such a good mood all the time and noticing how focused I was Chris asked me if he could read my fathers book I told him I didnt think hed be very interested in it and that there was more to it than just reading the book I explained a little bit about it and was greatly surprised that he still wanted to read it Truthfully I didnt take him seriously at all I figured he would skim through the book and more than likely hed hand it back to me the same day and tell me he was good on that After just one month Chris was not Chris anymore at least not the same person I had come to know for the past four years He had completely transformed into a very new and improved Chris right before my very eyes much like I must have done as he watched my transformation He was much more mature in touch with his spirituality and most noticeably he was thinking and acting instead of feeling and reacting That was about seven months ago and to see Chris get angry now is a very rare occurrence Now even when something happens that rubs him the wrong way its no big deal because hes able to react calmly and think things through Chris sees the bigger picture now and realizes what is really important isnt behind these prison walls He now realizes that whats most important is whats happening out there with our families and loved ones in the free world Now we both understand and immensely appreciate the fact that The Key to Stay Free empowers us and gives our lives more meaning than weve ever had before Now we are confident that we can create a life worth living once we are released from prison Now we without doubt know we will no longer be sacrificial pawns and that we can and will be kings in the game of life
