Life Lessons From A Greyhound English Edition:

Life Lessons from My Dog Patricia Budd Kepler, 2007-02-16 One fall day I found myself in the car holding on to a squirming very adorable puppy. We were taking her home. From the moment we picked her up, she became my mentor, teaching me life lessons without ever trying. She loved the world and all of us. She became a wonderful traveler and over time she became socialized. She taught me patience, got me through some rough times, showed me how to be playful and strengthened me spiritually. I began to record some of our experiences together. Those reflections became this book. The book ends with her first birthday and our celebration of Dog, who opened insights to God. **The Complete Holistic Dog Book** Jan
