**Encouraging Innovative and Cost-effective Crime Reduction Strategies** United States. Congress. Senate. Committee on the Judiciary, 2010 Childhood Sexuality and AIDS Education Deevia Bhana, 2015-08-27 Primary schoolchildren are frequently shielded from education on sexuality and sexually transmitted diseases in an effort to protect their innocence In countries like South Africa where AIDS is particularly widespread it is especially important to address prevention with younger boys and girls as active social agents with the capacity to engage with AIDS as gendered and sexual beings This volume addresses the question of children's understanding of AIDS not simply in terms of their dependence but as active participants in the interpretation of their social worlds The volume draws on an interview and ethnographic based study of young children in two socially diverse South African primary schools as well as interviews conducted with teachers and mothers of young children It shows how adults sustain the production of childhood sexual innocence and the importance of scaling up programs in AIDS intervention gender and sexuality It makes significant contributions to the global debate around childhood sexualities gender and AIDS education **Troubling the Teaching and Learning of Gender and Sexuality Diversity in South African Education** Dennis A. Francis, 2016-11-18 In this book Francis highlights the tension between inclusion and sexual orientation using this tension as an entry to explore how LGB youth experience schooling Drawing on research with teachers and LGB youth this book troubles the teaching and learning of sexuality diversity and by doing so provides a critical exploration and analysis of how curriculum pedagogy and policy reproduces compulsory heterosexuality in schools The book makes visible the challenges of teaching sexuality diversity in South African schools

while highlighting its potential for rethinking conceptions of the social and cultural representations thereof Francis links questions of policy and practice to wider issues of society sexuality social justice and highlights its implications for teaching and learning The author encourages policy makers teachers and scholars of sexualities and education to develop further questions and informed action to challenge heteronormativity and heterosexism **Towards a holistic approach to support learners at risk of interrupted development**

Macalane J. Malindi, Johnnie Hay, Thabo Makhalemele, 2024-02-23

The COVID 19 pandemic and the restrictions that came with it led to unprecedented disruptions in learner development and put them at risk of poor developmental outcomes It is thus important that the extent of the disruption on their development and the support needs of learners be investigated Researching the impact of the disruption should focus on holistic development In this book the authors use multiple research approaches and methods of gathering data in their respective fields to examine the impact of the disruption and determine the support needs of learners Data gathered through the different methods are processed and findings are presented The findings have implications for both practice and future research in the fields of inclusive education learner support educational psychology movement education Life Orientation and curriculum development *Assessing Academic Literacy in a Multilingual Society* Albert Weideman, John Read, Theo du Plessis, 2020-11-02

South African universities face major challenges in meeting the needs of their students in the area of academic language and literacy The dominant medium of instruction in the universities is English and to a much lesser extent Afrikaans but only a minority of the national population are native speakers of these languages Nine other languages can be media of instruction in schools which makes the transition to tertiary education difficult enough in itself for students from these schools The focus of this book is on procedures for assessing the academic language and literacy levels and needs of students not in order to exclude students from higher education but rather to identify those who would benefit from further development of their ability in order to undertake their degree studies successfully The volume also aims to bring the innovative solutions designed by South African educators to a wider international audience *Child and Adolescent Development for Educators* Christi Crosby Bergin, David Allen Bergin, Sue Walker, Graham Daniel, Angela Fenton, Pearl Subban, 2018-09-01

*Child and Adolescent Development for Educators* covers development from early childhood through high school This text provides authentic research based strategies and guidelines for the classroom helping future teachers to create an environment that promotes optimal development in children The authors apply child development concepts to topics of high interest and relevance to teachers including classroom discipline constructivism social emotional development and many others *Child and Adolescent Development for Educators* combines the core theory with practical implications for educational contexts and shows how child development links to the Australian Professional Standards for Graduate Teachers Case studies and real world vignettes further bridge the distance between research and the classroom Along with strong coverage of key local research such as the Longitudinal Study of Australian Children and Longitudinal Study of Indigenous
