Adolescent was the term for me when I was still a teenager, this refers to the period of psychological and social transition between childhood and adulthood. In common usage in western, English language countries, "adolescent" and "teenager". Adolescence is the transitional stage of human development in which a juvenile matures into an adult. This transition involves Biological and Social Changes. This could also include any Psychological changes in the part of the teenager. (See Adolescence, Wikipedia, the Free Encyclopedia) I could say that what I am now is the outcome of what I have been through during my teenage years.

Those experiences I could say was not that easy for me and those travails I have been through were not that simple. We all have in our minds that as a teenager, we should always be enjoying life. The impulsiveness in every actions and decisions that we will make. I am now 21 years of age and still a student particularly in nursing. I can say that I am very of a suspicious kind. A girl who is very much of a fighter than a martyr.

A woman who is wiser and much wiser than I was before. I credit this to the experiences I had in my teenage years. What I am now was the great effect of one certain event that made a big breakthrough in my character. I was still 14 years old then and still a high school student at a known University. It was in this year when I met a guy. He was my classmate. He was my closest friend. We were very close at the point of him sleeping over at our house. But all of it was with no malice. We were seatmates also and every time we had quizzes we would see to it that both of us will pass and have high grades.

We would giggle with laughter every time our teacher would announce our names in class. The teacher would say "... and the topnotchers are..." and then would giggle. Smiling at the very best that we could. Sometimes I made a joke that if not of me my best friend would not also pass. My best friend wouldn't want to be ashamed just because of my joke. So he also joked back at me and at the point of even yelling at my face in front of my other classmates. But knowing my buddy hadn't made me mad of him just because of that. I could say that he was the greatest buddy I ever had. He always supported me in everything and in every endeavor I was in. He would say "bring home the Bacon buddy..." I admit that it greatly encouraged me, it was like a fuel to my goal and to every goal I wanted to...
