Our Ancient Faith Allen Guelzo,2025-04-15 An intimate study of Abraham Lincoln s powerful vision of democracy which guided him through the Civil War and is still relevant today by a best selling historian and three time winner of the Lincoln Prize Winner of the 2024 Abraham Lincoln Institute Book Prize Finalist for the 2025 Gilder Lehrman Lincoln Prize It is altogether fitting and proper that with this meditation on democracy and its most subtle defender Allen Guelzo again demonstrates that he is today s most profound interpreter of this nation s history and significance George F Will Abraham Lincoln grappled with the greatest crisis of democracy that has ever confronted the United States While many books have been written about his temperament judgment and steady hand in

guiding the country through the Civil War we know less about Lincoln's penetrating ideas and beliefs about democracy which were every bit as important as his character in sustaining him through the crisis Allen C Guelzo one of America's foremost experts on Lincoln captures the president's firmly held belief that democracy was the greatest political achievement in human history He shows how Lincoln's deep commitment to the balance between majority and minority rule enabled him to stand firm against secession while also committing the Union to reconciliation rather than recrimination in the aftermath of war In bringing his subject to life as a rigorous and visionary thinker Guelzo assesses Lincoln's actions on civil liberties and his views on race and explains why his vision for the role of government would have made him a pivotal president even if there had been no Civil War Our Ancient Faith gives us a deeper understanding of this endlessly fascinating man and shows how his ideas are still sharp and relevant more than 150 years later **Lincoln** Terence Ball,2012-12-13 Abraham Lincoln occupies a unique place in the American pantheon Symbol sage myth and martyr he is an American icon Honest Abe and The Great Emancipator a Janus faced demigod sculpted in marble But this is the post assassination Lincoln During his lifetime Lincoln elicited very different reactions The writings and speeches presented in this scholarly edition illuminate Lincoln as a political thinker in the context of his own time and political situation Opening with a concise yet rich introduction the texts that follow are complete and carefully edited with extensive annotation and footnotes to provide a clearer insight into Lincoln the man the politician and political thinker His views on race and slavery on secession and civil war and on the contradiction as his saw it between the Declaration of Independence all men are created equal and the original Constitution which condones slavery are laid out in Lincoln's own well crafted words **Discovering African American St. Louis** John Aaron Wright,2002 African Americans have been part of the story of St Louis since the city's founding in 1764 Unfortunately most histories of the city have overlooked or ignored their vital role allowing their influence and accomplishments to go unrecorded or uncollected that is until the publication of Discovering African American St Louis A Guide to Historic Sites in 1994 A new and updated 2002 edition is now available to take readers on a fascinating tour of nearly four hundred African American landmarks From the boyhood home of jazz great Miles Davis in East St Louis Illinois to the site of the house that sparked the landmark Shelley v Kraemer court case the maps photographs and text of Discovering African American St Louis record a history that has been neglected for too long The guidebook covers fourteen regions east and west of the Mississippi that represent St Louis's rich African American heritage In the words of historian Gary Kremer No one who reads this book and visits and contemplates the places and peoples whose stories it recounts will be able to look at St Louis in the same way ever again **The Lincoln Myth** Steve Berry,2014-11-25 NEW YORK TIMES BESTSELLER A Cotton Malone adventure involving a flaw in the United States Constitution a mystery about Abraham Lincoln and a political issue that's as explosive as it is timely not only in Malone's world but in ours September 1861 All is not as it seems With these cryptic words a shocking secret passed down from president to president comes to rest in the hands of Abraham Lincoln And as the first bloody

clashes of the Civil War unfold Lincoln alone must decide how best to use this volatile knowledge save thousands of American lives or keep the young nation from being torn apart forever The present In Utah the fabled remains of Mormon pioneers whose nineteenth century expedition across the desert met with a murderous end have been uncovered In Washington D C the official investigation of an international entrepreneur an elder in the Mormon church has sparked a political battle between the White House and a powerful United States senator In Denmark a Justice Department agent missing in action has fallen into the hands of a dangerous zealot a man driven by divine visions to make a prophet s words reality And in a matter of a few short hours Cotton Malone has gone from quietly selling books at his shop in Denmark to dodging bullets in a high speed boat chase All it takes is a phone call from his former boss in Washington and suddenly the ex agent is racing to rescue an informant carrying critical intelligence It s just the kind of perilous business that Malone has been trying to leave behind ever since he retired from the Justice Department But once he draws enemy blood Malone is plunged into a deadly conflict a constitutional war secretly set in motion more than two hundred years ago by America s Founding Fathers From the streets of Copenhagen to the catacombs of Salzburg to the rugged mountains of Utah the grim specter of the Civil War looms as a dangerous conspiracy gathers power Malone risks life liberty and his greatest love in a race for the truth about Abraham Lincoln while the fate of the United States of America hangs in the balance Praise for Steve Berry and his Cotton Malone series In Malone Steve Berry has created a classic complex hero USA Today Malone a hero with a personal stake in the proceedings is a welcome respite from the cold calculating superspies who litter the genre Entertainment Weekly Steve Berry gets better and better with each new book The Huffington Post Savvy readers cannot go wrong with Cotton Malone Library Journal Berry raises this genre s stakes The New York Times I love this guy 1 New York Times bestselling author Lee Child Lincoln Abraham Lincoln,2013 A new scholarly edition of Lincoln s writings and speeches providing fresh insight into the man the politician and political thinker **St. Louis:** John A. Wright Sr.,2012-09-18 Since the founding of St Louis African Americans have lived in communities throughout the area Although St Louis 1916 Segregation of the Negro Ordinance was ruled unconstitutional African Americans were restricted to certain areas through real estate practices such as steering and red lining Through legal efforts in the court cases of Shelley v Kraemer in 1948 Jones v Mayer in 1978 and others more housing options became available and the population dispersed Many of the communities began to decline disappear or experience urban renewal **Adventures in Literature** Jacob M.
