## **Mku May Intake In Law:**

*Science Citation Index*, 1992 Vols for 1964 have guides and journal lists      **What the L?** Kelsey May, Samantha Roberts, Elizabeth Shelton, 2010 Law school can be a terrifying experience if you don't know what you're getting yourself into. For students who don't have their career paths or pedagogic goals mapped out, law school is even more terrifying. There are so many questions that accompany the decision to apply to law school: Is it worth the money? Is it worth the time? Is this the right time to go? Will I do well? How can I do well? How do I find a job? What kind of job is right for me? Is law school like college? And if you decide to go to law school, there are even more questions: What is an outline? How is an exam structured? How do I get a job at a big firm? What is a legal fraternity? What is the bar exam and when do I take it? This book is a firsthand account of trudging through law school without the answers to any of these questions. Three students offer a completely candid student perspective on every aspect of law school, from classmates to bar review and outlines to studying abroad. While other law school preparation books are helpful, this account is a true story of how things really work from the ground up. We are not law school experts; we are law school students just like you. If you've ever wanted to know the real story on law school, this is it. *What the L?* is a fine gift to any aspiring lawyer.
