

Style Guides MLA Format

FIRST PAGE

FORMAT

Double space, and use a standard typeface and type size, such as 12-point Times New Roman.

TITLE

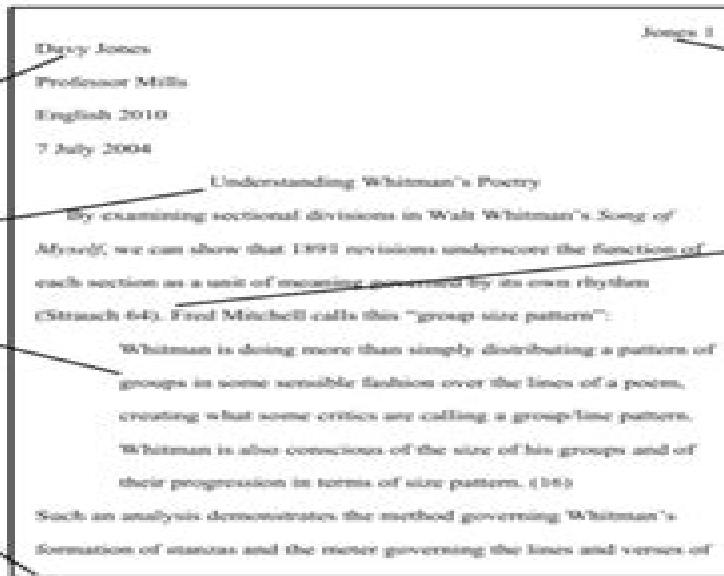

The title should be 12-point font and centered, but not underlined, italicized, bolded, or put in quotation marks.

BLOCK QUOTATIONS

Block quotations are quotations longer than four lines. Indent 1" from the set margin when using a block quotation. Do not use quotation marks, and put the period before the citation.

MARGINS

Use 1-inch margins on all 4 sides of each page.

PAGE HEADER

A page header includes the last name of the paper's author and the page number. Headers should appear in the top right corner of every page.

IN-TEXT CITATIONS

In-text citations should be used after quoting, paraphrasing, or summarizing. State the author's last name and the page number in parentheses without a comma. If the author is named in the text, only cite the page number. If the author is unknown, use the first few words from the title. The period is placed after the citation. If there is no page number, include the author and title within the text rather than using a parenthetical notation.

WORKS CITED

TITLE

The title "Works Cited" should be centered, but not underlined or punctuated.

HANGING INDENT

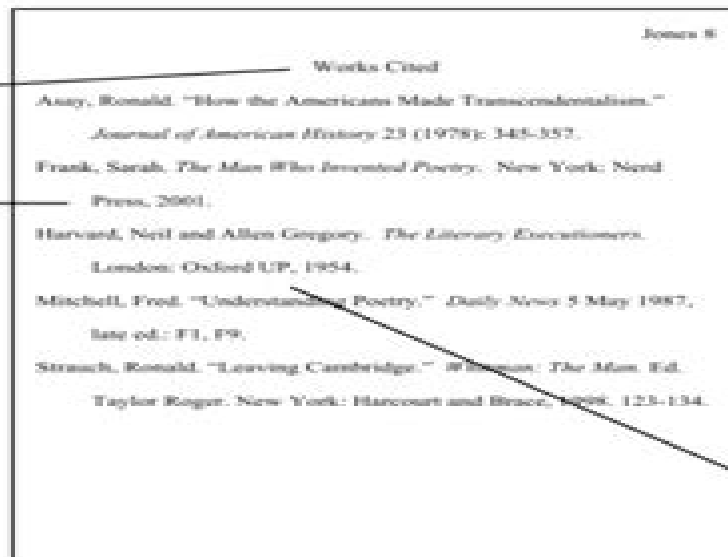

Use a hanging indent for entries longer than one line. Indent 1/2" from the set margins after the first line of each entry.

SOURCES

List only the works you used, not everything you read.

ALPHABETICAL ORDER

Alphabetically arrange works cited entries according to the first word in the entry, ignoring *a*, *an*, and *the*.

CITING INDIRECT SOURCES

To cite information that your source has taken from a different source, put the original author of the information in the text and write "qtd. in" in your in-text citation followed by the author and page number of the work you found the material in. Example: (qtd. in Assay 352).

QUOTATIONS

If you need to make additions to a quotation, put your own words in square brackets []. To omit words, use ellipses (three periods, with a space after each). Example: "She was . . . unhappy."

ABBREVIATIONS

Abbreviations in works cited entries are acceptable if they are clear (University Press=UP).
