

Acknowledgement

LEA International Ltd., Canada and LEA Associates South Asia Pvt. Ltd., India, wish to gratefully acknowledge the unique opportunity granted to them by MMRC and the World Bank in preparing a **Comprehensive Transportation Study for Mumbai Metropolitan Region or T r a n s p o r t a t i o n**.

Preparation of transportation plan for the horizon period up to 2021 that covers detailed analysis of base year travel patterns, travel demand modeling, assessment of planning parameters for different future growth scenarios, assessment of alternative public transport and road networks and related socio-environmental/economic/financial analyses, stakeholder consultation and technology transfer etc., could not have been accomplished without the active participation and key inputs from many individuals.

We take this opportunity to acknowledge with gratitude the encouragement and support given by the following:

- All the members of 'Authority' of MMRC.
- All the members of High Level Steering Committee.
- MMRC and its officials:
 - Dr. Surash Joshi, IAS, Former Metropolitan Commissioner, MMRC
 - Dr. P. Chandra Shekar, IAS, Former Metropolitan Commissioner, MMRC
 - Mr. Ratnakar Gaidwadkar, IAS, Metropolitan Commissioner, MMRC
 - Mr. Mahesh Mhaskekar, IAS, Additional Metropolitan Commissioner & Project Director, MTPP, MMRC
 - Mr. PRM Murthy, Chief Transport & Communication Division, MMRC
 - Mr. Uma Akusumilli, Chief Planning Division, MMRC
 - Mr. Dr. V. Lakshmi, Chief Town & Country Planning, MMRC
 - Mrs. A. Vijaya Lakshmi, Sr. Transportation Planner, MMRC
- Members of the Technical Advisory Committee (TAC) who provided valuable and insightful guidance through all the phases of the study:
 - Mr. Sanjay Mehta, IAS, Secretary (AD) (Special Projects), Government of Maharashtra
 - Mr. A.R. Jain, IAS, Former Director, MTSU
 - Mr. G.P.S. Madan, IAS, Director, MTSU
 - Mr. S. Kanchappa, IAS, General Manager, SECTET Undertaking
 - Mr. V.K. Kulkarni, General Manager, Central Railway
 - Mr. A.R. Bhargava, General Manager, Western Railway
 - Mr. Vinay Kumar, Former Director (Projects), Mumbai Port Trust Corporation
 - Municipal Commissioners of Municipal Corporations and Chief Officers of Municipal Councils of MMR
 - City Engineers and other technical staff of LEA
 - Staff of public transport undertakings of MMR (BEST, MMR, TMT, KDMT, MMR, MMR, MMR)
 - Mr. A. K. Desai, World Bank
 - Mr. Robert Townsend, World Bank and other World Bank Advisors

In addition to those that are identified above, we wish to acknowledge the countless other persons and agencies who provided information and assistance to our consulting team during the progress of the study and who were instrumental in developing a transportation plan for the MMR that is reflective of the aspirations of its citizens and their elected decision makers. Finally, the citizens of MMR deserve special thanks for providing their inputs and extending their co-operation at the time of surveys, which formed the critical base for the preparation of Comprehensive Transportation Study for MMRC.

By any global measures, the problems of planning and managing a huge and complex region such as MMR are immense and daunting. However, during the course of the study, MMR demonstrated its incredible resilience to rapidly and effectively overcome severe flooding and horrendous terrorist cell bombing that would have severely weakened the resolve of lesser cities. There is a spirit of optimism and confidence in Mumbai's future that is infectious and inspiring.

We believe that the recommendations provide a realistic and achievable plan for the implementation of longer term transport strategies and also more immediate action proposals, with one of the principal objectives being transformation of "MMR into a world class metropolis with a vibrant economy and globally comparable quality of life for all its citizens". We pray for a positive approach and willful implementation of various recommended transport infrastructure proposals, to the wider benefit of the society.

Respectfully Submitted
