*Cambridge Guide to Theatre* Martin Banham, 1995-09-21 Provides information on the history and present practice of theater in the world

*Modern/Postmodern* Silvio Gaggi, 2015-08-10 Silvio Gaggi's survey of the vast terrain of twentieth century arts and ideas is unique not only for its scope but also for the clarity and cohesiveness it brings to wide ranging seemingly disparate works By identifying underlying epistemological aesthetic and ethical issues Gaggi draws connections among such modern and postmodern masterpieces as Pirandello's and Brecht's theater Fowles's and Barth's fiction Warhol's paintings Godard's and Bergman's films and Derrida's literary theory Modern Postmodern begins with a discussion of the profound skepticism about traditional beliefs and about our ability to know the self that lies at the heart of both modernism and postmodernism Gaggi identifies the modernist response to this doubt as the rejection of mimesis in favor of a purely formalistic or expressionistic art The postmodern response on the other hand is above all to create art that is self referential concerned with art itself the history of art or its processes Drawing from the work of Pirandello and Brecht paradigms that can be applied to many different art works Gaggi emphasizes how these works from diverse media relate to one another and what their relationships are to the contemporary artistic and philosophical climate He concentrates on the works themselves but examines theory as a parallel manifestation of the same obsessions that inform recent literature and art Gaggi asks finally if self referential art can also be politically and ethically engaged with the reality outside it He concludes that the postmodern obsession with language narrativity and artifice is not necessarily a decadent indulgence but is at its best an honest inquiry into the problems questions and paradoxes of language Modern Postmodern is a lively approach to postmodern art that will interest all students and scholars of contemporary art and literature

**Etienne Decroux and his Theatre Laboratory** Marco de Marinis, 2023-05-31 Etienne Decroux and His Theatre Laboratory is based on the long awaited translation of Marco De Marinis' monumental work on mime in the twentieth century *Mime e teatro nel Novecento* 1993 Now revised and updated the volume focuses specifically on the seminal role played by French mime artist and pedagogue Etienne Decroux Mime is a theatrical form of ancient tradition In the nineteenth century it saw both apogee and crisis in the west with the realistic and gesticulating white pantomime In the twentieth century it underwent a radical overhaul transforming into an abstract corporeal art that shunned imitation and narrative and which instead tended towards the plastic elliptic allusive and symbolic transposition of actions and situations This book is the result of detailed investigations based on contemporary accounts and obscure or unpublished materials Through the examination of the creative pedagogical and theoretical work of the inventor of the new mime art Etienne Decroux De Marinis focuses on the different assumptions underlying the various modes of the problematic presence of mime in the theatre of the twentieth century from the utopia of a pure theatre attributed to the sole essence of the actor to its decline into a closed poetic genre often nostalgically stuck in the past from mime as a pedagogical tool for the actor to mime as an expressive and virtuosic means in the hands of the director

Newly written chapter introductions put the exercises in context, explaining how they fit into the wider methods and philosophy of the practitioner in question. All 21 volumes in the original series are represented in this volume. **Postmodern Studies**, 1995

Summaries and analyses of their key productions indicate how each practitioner's theoretical approaches to performance and the performer were manifested in practice. All 22 practitioners from the original series are represented with this volume covering those born before the end of the First World War.
